Acting Head Teacher : Mrs Sarah Taylor
Early Years Practitioner: Mrs Fiona Price

Dear Parents/Carers,

Welcome to Kinlochewe Nursery. We are a small, friendly and approachable nursery. We are very proud of our open door policy and very pleased to be working alongside you from the very earliest stage of your child's education. At Kinlochewe Nursery we believe in putting every child at the centre of their own play and education, and we aim to develop close working relationships with you to ensure that your child is safe, secure and happy in their learning environment.

We hope you enjoy reading this nursery brochure. It is our aim to provide you with useful information about the day to day running of the nursery. Fiona and I are always very happy to answer any questions you may have, so if you can't find the answer you are looking for in this booklet, please do not hesitate to get in touch.

We all look forward to our time together and hope that your child enjoys their time with us at Kinlochewe.

Mrs Sarah Taylor
Acting Head Teacher.

A copy of this brochure, information and newsletters can be found on our website at www.kinlocheweprimary.wordpress.com

Our Aims as a Nursery

At Kinlochewe Nursery we aim to:

- Provide a safe and stimulating environment, where children feel happy and secure.
- Encourage the emotional, social, physical, creative and intellectual development of children.
- Promote the welfare of children
- Encourage positive attitudes to self and others and develop confidence and self-esteem.
- Create opportunities for play both inside and outdoors
- Encourage children to explore, appreciate and respect their environment
- Provide opportunities to stimulate interest and imagination
- Extend the children's abilities to communicate ideas and feelings in a variety of ways
- Offer parents / carers opportunities to become involved in their child's pre-school learning and development and provide regular information about their child's progress and development
- Arrange appropriate professional development and training for all staff.

Active, Ambitious, Achieving

CURRICULUM

Curriculum for Excellence

Our nursery curriculum is delivered through the experiences and outcomes set out in a Curriculum for Excellence. During your child's time in school and nursery we aim to provide them with opportunities which enable them to reach their full potential in 4 key areas:

*Successful
Learners*

*Confident,
Individuals*

Curriculum for Excellence 4 capacities

*Responsible
Citizens*

*Effective
Contributors*

You can find our more information about these four capacities and the nursery curriculum by asking a member of school staff, on the school and nursery notice boards, school website and on the Education Scotland website: <https://education.gov.scot/>

Why Play?

- Through activity based learning the brain and body are stimulated and active.
- It provides pleasure and enjoyment which in turn will motivate children to further their learning by persevering, overcoming difficulties and concentrating for longer periods of time.
- It helps to build confidence in themselves and their abilities.
- It allows the child to tackle new experiences in a non-threatening situation.
- It can provide an escape, relieve boredom, and allow for relaxation and the opportunity for solitude.
- It helps the child to judge the many variables within social interactions and develop perceptions about other people.
- Skills can be practised and repeated as many times as is necessary for confidence and mastery.
- Opportunities for sensory experiences which are the foundation of intellectual development are provided.
- It provides reasons children can understand for acquiring the skills and knowledge adults value.
- Play created context for language development

Children are given a wide range of opportunities including to:

- Listen to stories and rhymes
- Sing and take part in a range of musical activities
- Draw and write
- Visit and explore their local environment
- Investigate the properties of sand and water
- Bake
- Model with play dough and clay
- Paint
- Create pictures, collages and junk models
- Play board games
- Build with construction toys eg. Duplo, Lego, Bricks etc.
- Engage in a variety of role play activities eg. home corner, hospital, shop etc.
- Take part in physical play and games

Nursery Enrolment:

This takes place at the school in February/March. Parents will be notified of dates by way of the local press and notices in the Gairloch and District Times and the school. More information on nursery enrolment and all the necessary forms can be found at: www.highland.gov.uk/schoolenrolment

We can accept enrolment from children as soon as they turn 3 years of age. If you would like your child to attend nursery before they are entitled to their funded place, please contact the school and we will be happy to provide further information.

Nursery Hours

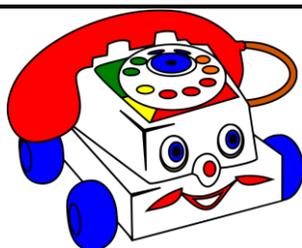

We are operating flexible working hours in the nursery. This means that we consult with parents at the beginning of each school year and try to accommodate your needs. For 2019-2020 we were asked to provide nursery over four morning sessions. The sessions were from 9am until 1pm.

As of August 2020 we are expecting to be offering 1140hrs per year. This will be confirmed nearer to the time.

Please could all children be brought to the nursery and collected by an adult. If collection arrangements change during the course of the session please can you contact the school to let them know.

KEEPING IN TOUCH

Attendance and Illness

It can be a difficult decision to keep your child off nursery due to ill health especially when many children feel they want to come anyway. However, it is important that children do not come if they are unwell so that infections do not spread to other children or the staff. If your child has been vomiting or had diarrhoea, please be aware that they must be clear of these symptoms for 48 hours before coming back to nursery. It is important on occasions that children will not be in nursery, for whatever reason, that you contact the school office to let us know. This ensures the safety of the children. If your child becomes ill, or has an accident while attending the nursery, we will contact you by telephone. If there is no reply we will ring your emergency contact number. Please ensure these are always up-to-date e.g. if mobile numbers change during the year.

Early Closure / Adverse Weather

Should the nursery need to close earlier than normal you will be contacted by telephone if prior warning has not been given out. Please ensure your details are always up to date and any changes are given to the Office. In the morning, if there is extreme weather parents should contact the Schools Information Line on 0800 564 2272 + the school's PIN 04 2380 where they will then hear a recorded message informing them of any closures. They can also access the winter weather website at the following web address:

<https://www.highland.gov.uk/schoolclosures>. Please click on the relevant geographical area for local school closure information. Parents can also listen to local radio stations which will report any closures due to adverse weather.

What to Bring?

Clothing.

The children should come to nursery in comfortable play clothes and bring a suitable pair of indoor shoes. Please make sure that all the children's shoes and clothes are labelled clearly with the child's name. As learning opportunities outside are given daily, we ask that the children always come prepared for the weather e.g. warm waterproof jacket, sunscreen on. Highland weather means that the school grounds are often wet. A pair of wellies for outdoor play each day are a great idea!

Toileting.

We understand that in some cases young children are not quite independent when it comes to toileting or may still be in nappies/ training pants. Please, let us know as soon as possible if this is the case so that we can discuss the best way of supporting your child with this. At all times, the child's dignity and privacy will be ensured and consent for personal care is sought. As far as possible we ask you help by keeping fastenings on clothes very simple and to the minimum. If children have zips or buttons on trousers, please practise with them so that they can tie these unaided. In this way, we can help the children to become independent. Children of this age often have little accidents. Please provide a labelled bag full of spare clothes to be kept on your child's peg in case they need to be changed.

Snack and Lunch

A healthy snack is provided every day and usually consists of milk/water to drink and fruit, toast or crackers. Children will be given the opportunity to help with the preparation of snacks. This time is also used to encourage independence, social skills, healthy eating and cultural awareness. Baking is also regularly completed with the children. If your child has any allergies please be sure to let the nursery staff know.

The children sit to have their lunch with the school children. This is a nice social opportunity for the children. Unfortunately we do not have a school cook at the moment, so nursery children need to bring a packed lunch to nursery with them each day. Water is always available.

Cluster Arrangements.

Kinlochewe Primary is currently part of a cluster with Shildaig Primary School. This means that the school 'shares' a non-class committed Head Teacher whose time is divided between the two schools. This arrangement has allowed the school to have dedicated teaching staff that are fully focused on providing high quality education to the children in the school. The two schools work closely together to the benefit of staff, children and the community.

Links with other centres.

We currently have good, strong links with other centres and often visit the children at Shildaig Nursery. We also take part in events organised by the schools feeding into Gairloch High School. Recently this has included attendance at shows and workshops. We value these links as they provide opportunities for our small group of children to socialise with others.

Visits

Visits are an important aspect of life in the nursery. The details of any visit will be given to you in writing and your written consent will be asked for.

On all visits children will be accompanied by an adequate number of adults. We will also ask you to sign a consent form annually for times when your child leaves the school grounds for walks and visits to places of interest in the village. This includes visits to the Beinn Eighe Nature reserve.

We also like to invite people into the nursery to share their skills and knowledge with the children. This gives the children opportunities to broaden their horizons and interact with other adults. The Oral Hygienist (Ailsa Gordon) and Health Visitor (Elizabeth MacDonald) are also regular visitors to nursery and nursery children join in Kodaly Music sessions with P1-3.

GET TO KNOW US

You are more than welcome to come and have a look around the nursery and Kinlochewe Primary School before your child starts to see the kind of activities your child will be involved with and the environment in which they will play and learn. Once you have made a decision and enrolled your child, you and your child will be offered play and stay sessions alongside others joining the nursery. These will give your child a chance to familiarise him/herself with the nursery, staff and the other children. You are welcome to stay for all or part of these sessions. Details about these sessions will be given or sent to you and are completely flexible to allow you and your child to build confidence and relationships.

TRANSITION TO SCHOOL

Children normally spend up to two years in nursery and will then transfer into school as a P1. Nursery work closely with school throughout the year taking part in activities alongside the older children e.g.: joining in at breaks, assembly, performances, World Book Day activities, the Big Bird Watch, Christmas play etc. In this way nursery children are made to feel part of Kinlochewe Primary School from the very start. In the Summer Term before children transfer into school the teacher will spend time in the Nursery and the children will go through to the classroom too. The younger primary children will work alongside the nursery children on a shared learning topic. The children's 'Profiles' are shared and discussed with the class teacher so that learning targets and other information about the children are clear.

<https://kinlocheweprimary.wordpress.com>

Visit the school website to find out more about nursery and school life.....

PROFILES

You are always very welcome to come in to nursery to see how your child is progressing. Each child has a file called their 'profile'. Examples of the children's work is contained within these files, including observations, comments and photographs.

NEWSLETTERS

Newsletters are sent home every fortnight. These contain lots of information about events and learning in school and nursery. Newsletters and information can also be found on the school and nursery notice boards and on the school website.

<https://kinlocheweprimary.wordpress.com/>

PARENT MEETINGS

More formal opportunities to meet and discuss how your child is doing in nursery take place twice a year, in November and May. Fiona will be in touch to arrange a convenient time to meet. If ever you wish to speak with Fiona or with the Head Teacher please do not hesitate to get in touch. We operate an open door policy, and informal discussions take place before and after the nursery session on a daily basis.

HEALTH VISITOR

Elizabeth MacDonald is your child's Health Visitor and Named Person for your child until they enter school. If you want to get in touch with the Health Visitor please contact her on 01445 712914.

CHILD PROTECTION

The school follows the national strategy known as 'Getting It Right For Every Child' (GIRFEC). Getting It Right places children's and young people's needs first and provides co-ordinated help where this is required. Services involved could be Social Work, Health and Police. The named person with overall responsibility is the Health Visitor, but all nursery staff have had training in GIRFEC and are aware of their role in supporting children. Copies of Child Protection policies are available from the school office or online at

https://www.highland.gov.uk/info/1361/childcare_and_family_care/438/child_protection

COMMENTS AND COMPLAINTS

We hope you will enjoy your child's time at our nursery and welcome comments or suggestions, which could help us to improve our service. However, we are aware that difficulties can occur from time to time and if you feel you have reason to complain, then please follow the procedure outlined below. Please use the open door policy and speak to the person in charge of the nursery, either at the beginning or end of a nursery session. If you prefer, an appointment can be made to speak to the Early Years Practitioner in private. It will then, in consultation with the parents/carers, be decided if the matter needs to be taken further, in which case, the Head Teacher will be informed and a meeting arranged. From here, if necessary, the matter will be brought to the attention of the Area Education Manager who will decide what the next steps should be. Parents will be kept fully informed at each stage and will be invited to attend any meetings being held. Should you feel unable to speak to the person in charge of the nursery, please make an appointment to speak directly with the Head Teacher.

AREA EDUCATION OFFICE:

FAO: Norma Young
Fingal Centre,
Viewfield Road,
Portree
Isle of Skye

VOLUNTEER

We welcome volunteers, but all volunteers in school and nursery must have a police disclosure check to ensure the safety of your child. If you would like to help out in nursery, please speak to a member of staff and we will be happy to arrange this for you.

PARENT COUNCIL

The Parent Council is very supportive of the work of the school. It helps with fund raising - enabling us to purchase new library furniture, provide overnight activity trips, visit the theatre, attend sporting competitions etc.

Meetings are held at least once a term and provide a forum for discussion on a variety of school related issues. **All** parents are invited to attend meetings and minutes are posted on our website. The Parent Council is a most helpful vehicle for gathering parental opinion and sharing views and supports our aim to work in partnership with all stakeholders.

CHAIR: Jonathan Petrie
