

The Highland Council: Scheduled Watercourse Maintenance Works - Complete February/March 2020

Works Number	Watercourse Name	Location	Date Works Carried Out	Description of Works
559	Mill Burn	Harris Road Inverness	12/03/2020	Remove a 10m X 2m area of silt deposition at the outlet of the box culvert which has restricted the width of the burn, also please remove areas of minor vegetation blockages from the culvert inlet upto the footbridge which is opposite Milton Crescent
562	Druid Temple Burn	Old Edinburgh Road	16/03/2020	Please remove all vegetation in and along both sides of the burn, all vegetation should be removed after cutting
596	Lochardil Burn	Lodge Park	06/02/2020	Remove all vegetation which is blocking the watercourse in the Lodge Park area. The vegetation is raising water levels further upstream
597	Dell Burn	Golden Bridge and Inches	03/03/2020	All debris cast aside from screen clearing to be removed from site, the area prior to the screen at Tesco inches requires removal of all vegetation which has accumulated in the watercourse.
599	Tower Burn	Caulfield Road North	03/03/2020	Debris caught on the screen has caused te invert level to rise by approx 500mm, for a considerable length upstream, removal of the debris and silt is required.
600	Culloden Burn West	Behind the Culloden Centre	05/03/2020	Small area of silt and stones just upstream of the screen requires removal.
601	Mill Burn	Downstream of Diriebught House	06/02/2020	Clear all vegetation growing into and over the burn, from Diriebught House downstream up to a point opposite the small dwarf wall
602	Mill Burn	Premier Inn Car Park	06/02/2020	Remove all silt, stones and vegetation from the short open section
