Dear Sir/Madam

**THE TOWN AND COUNTRY PLANNING (DEVELOPMENT PLANNING)
(SCOTLAND) REGULATIONS 2008
HIGHLAND COUNCIL – HIGHLAND WIDE LOCAL DEVELOPMENT PLAN**

The reporter has noted the terms of the e-mail from Mr Mckie (10 October 2011, 15:14). At the opening of the hearing, the reporter said that parties would be given opportunity to make a brief summary of their final positions. In the event, lack of time meant that this did not happen. The reporter has also noted the contents of a letter dated 6 October 2011 from Messrs G H Johnston on behalf of John Gordon & Son (copy attached).

The reporter has decided to request from your client, Mr C Allenby, further information. The information is a statement along the lines of what would have been said at the hearing on behalf of your client by way of summing-up. It may be that the information sought in this request consists of what you have said in your e-mail of 10 October 2011. If so, please confirm, and there will be no need to repeat what you have already said.

It would be helpful if you could send this information to me, to pass on to the reporter, by 21 October 2011.

Please note that, in connection with this matter, requests for further information are also being sent to the Consortium (Barratt, Robertson and Scotia), to Messrs John Gordon and Son (the sawmill) and to the Council.

Yours faithfully

Morag I Smith
