Jane Hope, The Grantown Initiative

Dear Jane,

Burnfield Toilets

The Grantown Society is wholly and wholeheartedly behind the move to acquire and reopen the Burnfield Toilets. Their closure was a great loss to the community and those who visit the town. With the facility in community ownership there will be the opportunity not only to have the toilets fully functioning again but also refurbished and a facility of which the community can be proud. Such a move will be welcomed not only by visitors but also many who live locally.

Yours,

Bill Sadler, Chair, The Grantown Society

The Grantown Society (SCIO) is a Scottish Charity SC050104

Dear Jane

I am aware that Grantown Initiative are looking to secure an asset transfer of the toilets in Burnfield car park, with a view to re-opening and operating them.

The loss of these toilets has been a major headache for Grantown Motormaniamania, which is held in The Square on the first Sunday in September annually. We welcome approximately 5,000 spectators to our event and Burnfield is on the main walking route to the event from our designated car park in the Showfield. Burnfield is also used by Motormaniamania as overspill parking for event entrants. Since the facility was closed Motormaniamania has trebled the number of portable toilets which have to be hired in, and we also rely on the generosity of local businesses to provide toilet facilities. The public toilets situated at the bottom end of High Street are simply too far away from our event and are irrelevant.

Motormaniamania is happy to support any application for asset transfer.

Kind regards

*Duncan*
