

Schedule

Decision by Highland Council in response to a proposal by British Telecommunications plc for the removal of public call boxes, pursuant to Part 2 of the Schedule to a Direction published by Ofcom on 14 March 2006 ('the Direction').

Telephone Number	Address	Postcode	Calls during prev. 12 months	Agree Adopt Object	Reason for objection - based on need for telephony only, not the kiosk
01808521214	DUNMAGLASS PCO1 GORTHLECK INVERNESS	IV2 6YS	0	No evidence for objection	1 response received, following community consultation by Strathnairn Community Council. This raised concerns over local mobile network coverage, but did not include wider grounds for retention based on telephony need (e.g. emergency need, or other qualifying criteria). Network checks with mobile network carriers and engagement with the Community Council confirm good 4G coverage locally.
01855851275	PCO POST OFFICE GLENETIVE BALLACHULISH	PH49 4JA	0	Adopt	2 responses received, including from Glencoe & Glen Etive Community Council – both confirming the Community Council's desire to pursue adoption of the public call box, in light of there not being an ongoing local telephony need for the service at this site.
