Dear Joan,

ASSET TRANSFER UNDER THE COMMUNITY EMPOWERMENT ACT

This letter is to acknowledge receipt of your asset transfer request in relation to **Thurso Greenhouse Complex** on behalf of Thurso Community Development Trust.

I confirm that the request is made in accordance with the legislation and all required information has been provided. The validation date for this asset transfer request is **14th of June 2021**.

I confirm that no other asset transfer request has been received in relation to the **land and buildings** to which your request relates and the asset has not been advertised for sale, nor has the Council entered negotiations or initiated proceedings with a view to transferring or leasing that asset. We therefore consider that the Council is prohibited by section 84(2) of the Act from selling, leasing or otherwise disposing of the land and buildings described above, other than to Thurso Community Development Trust until your request is concluded.

Notice of this asset transfer request will be published online at: www.highland.gov.uk/CAT and sent to any tenants or occupiers of the land. Any representations made to the Council about this request will be copied to you at the contact address provided in your request, and you will have at least 20 working days to comment on them.

The request will be considered by Highland Council in accordance with the requirements of the Community Empowerment Act and we will give you notice of our decision whether to agree to or refuse your request, and our reasons for that decision, by **6th of October 2021** (six months following receipt of your valid and complete CAT Request).

If you do not receive a decision by that date, you may apply for a review of the case. You may also apply for a review if your request is refused, or if the request is agreed but the decision notice specifies material terms or conditions which differ to a significant extent from those specified in the request.

Yours sincerely,

Pablo Mascarenhas

Community and Democratic Engagement Manager
