

**THE HIGHLAND COUNCIL
TRAFFIC CALMING ON B861 CULDUTHEL ROAD, INVERNESS**

Statement of Reasons

In the interests of road safety and specifically to improve the route to school for the pupils of Inverness Royal Academy and local pedestrians it is proposed to create 2 raised table crossing points on the B861 Culduthel Road, Inverness. One of these raised tables will provide an uncontrolled crossing point for pedestrians and the other will be located on the existing Zebra Crossing and therefore create a controlled raised table crossing point for pedestrians.
