- 3. Keep trying out the idea for a bit longer before we decide for good.**

Which idea do you think is best? In the table below, place a tick next to which one you think is best.

Idea No. 1 – Close Uig Primary for good.	
Idea No. 2 – Re-open Uig Primary.	
Idea No.3 – Keep trying out the idea for a bit longer.	

2. Why did you give the answer above?

I think it is best if we re-open the school because

- the bus takes a long time to get us home.
- in the morning~~s~~ i am meant to get picked up at 8.40 but i keep getting picked up at 8.50

So i pick 2.00

I gave the answer above because then there wouldn't be so much transport. Pupils could walk, run or cycle because it is such a short distance from their houses.

2. Why did you give the answer above?

I gave the answer above because it is an easier drive for the kids who live in Uig.

2. Why did you give the answer above?

There is two runs in a big bus from Uig, and two small from kilmuir so you could use the big bus from Uig at the moment and most Uig people could walk or cycle and use the small bus for the rest so it saves fuel and we could buy equipment with it or extras. Also turn ~~the~~ kilmuir school into Gaelic school only and turn Uig into a English school only like it is already.

2. Why did you give the answer above?

I chose idea No. 3 because there are good things about opening it, but bad things.

One bad thing is that if the school reopens Kilmuir School will have not alot of pupils, and then it could close down.

But one good thing is that people from Uig won't have to travel very long.

So I'm not sure.

Idea No.3 – Keep trying out the idea for a bit longer.	

2. Why did you give the answer above?

- It's kind of a waste of ground and space.
- But then we have a risk of losing our school because most of the pupils are from wig.
- It would be better because when there are loads of tourists in wig it would take less time to get to wig school than it would to get to Kilmauir.

2. Why did you give the answer above?

I gave the answer above because more than half of our school is from Uig so there would only be about 13 pupils in Kilmuir School and we wouldn't get to see our friends from Kilmuir and I would miss them so much. Also a big problem is that it would take a few years to rebuild like the Mold and paint peeling and like heaters and leaks also they would have to do like make and get new toys and equipment. We would also not get much opportunity like the local Mod and Youth Speaks.
