

THE HIGHLAND COUNCIL, A896 LOHCARRON

BUILD OUT/UNCONTROLLED PEDESTRIAN CROSSING AND CHICANE

Statement of Reasons

In the interests of road safety/vehicle speed reduction and in order to improve road safety for those walking and wheeling in the community. In particular children walking and cycling to and from Lochcarron Primary School, it is proposed to introduce a build out forming an uncontrolled pedestrian crossing and a chicane on the A896, Lochcarron.
