Duty of Care For Your Business Waste

Your Duty of Care means that you have a legal responsibility to make sure that your business waste is stored, transported, recycled or disposed of in a way that does not harm the environment.

All businesses create waste!

Business owners must:

- ✓ Segregate, store and transport their waste appropriately and securely
- ✓ Segregate recyclable paper, cans, card, plastic and glass for recycling
- ✓ Check whoever collects your waste is registered with SEPA
- ✓ Use Waste Transfer Notes to document all waste transfers

Please note businesses are not permitted to dispose of their waste into domestic bins, litter bins or Household Waste Recycling Centres.
