18. Severe Weather Procedures
19. Your Data

Whilst the information in this handbook is considered to be true and correct at the date of publication, changes in circumstances after the time of publication may impact on the accuracy of the information.

Dear Family Member,

Welcome to Cawdor Primary School. Some of you are already familiar with our school, whilst others are joining the school for the first time. I hope you find our handbook informative. In it we have tried to give you an outline and brief profile of our school.

We believe that at our school that we have created a community where children can develop their full potential through high interest, relevant and child-led learning experiences. We strive to have a school that promotes well-being and respect so that all members feel valued and achievements of all kinds are recognised. Through our approaches to building positive relationships we aim to support our young learners as they develop as responsible citizens, confident individuals, effective contributors and successful learners equipped for the 21st century.

We very much look forward to welcoming you and your child to Cawdor Primary School. If you require any further information or details, please do not hesitate to contact us through the school office on 01667 402460 or cawdor.primary@highland.gov.uk.

Yours sincerely,

James Cook
Head Teacher

The ongoing pandemic continues to affect the normal running of schools in many ways. This Handbook reflects the way the school *usually* runs but does not cover all of the changes that we have made because of the pandemic. Our arrangements have changed in many ways since March 2020, and may well change again, depending on how the pandemic develops. For the most up-to-date information about any aspect of the work of the school, please make contact and we will be able to tell you about our current arrangements. For the latest information about how the pandemic affects children, young people and families across Scotland, please visit the Scottish Government website, which has helpful information [about Coronavirus and its impact on education and children](#).

The School Day

9.15am – Start of day

Currently due to COVID-19 we have a staggered start from 9am.

3.05pm – End of day

Breaks and lunches are staggered throughout the day.

Early Learning and Childcare

Our Early Learning and Childcare (ELC) setting is open from 9.15am-3.10pm Monday to Friday during term time. **Currently due to COVID-19 we have a staggered start from 9am.**

Our children in our early learning and childcare provision receive 1,140 funded hours per year.

Breakfast Club

The school runs a Breakfast Club from 8.15am to 9.15am when school starts. This provision is part of the Highland Council Flexicare System and as such you will be invoiced for use. Please contact the school office if you wish to use the service.

Severe Weather Procedures

In the event of severe weather, parents/guardians should refer to the school's policy on **page 18** of this handbook.

Sharing Information with Families

Our main mechanism for sharing information is through the SeeSaw App. Information will be provided at the beginning of the session. We also use our school website to share key information with families.

Information will also be shared via letters, dates for the diary and telephone and email where appropriate.

Parental Engagement and Involvement

Useful information for parents on how you can get involved in your child's education, how to support the school, and information on curriculum developments, can all be found at Parentzone: <https://education.gov.scot/parentzone>

School Aims

When we set out to create our aims we primarily wanted them to be very accessible and user friendly for all. None of us could remember paragraphs of aims, hence the format below. This also incorporates the Four Capacities into our road forward.

Successful Learners

- Listen
- Work hard
- Concentrate
- Think positive

Confident Individuals

- Be persistent, don't give up
- Be yourself
- Think about things

Effective Contributors

- Help others
- Work as part of a team
- Share ideas and thoughts
- Keep trying

Responsible Citizens

- Respect others and things
- Recycle and clean up
- Make good choices

Aims are reviewed and updated every two years by pupils, Pupil Council, staff, parents and Parent Council. **Successful Learners listen well**
Updated November 2019

Our Curriculum

Curriculum for Excellence is designed to achieve a transformation in education in Scotland by providing a coherent, more flexible and enriched curriculum from 3 to 18. The curriculum includes the totality of experiences which are planned for children and young people through their education, wherever they are being educated. The curriculum aims to ensure that all children and young people in Scotland develop the knowledge, skills, values and attributes that they will need to flourish in life, learning and work.

The knowledge, skills, values and attributes learners will develop will allow them to demonstrate four key capacities – to be **successful learners, confident individuals, responsible citizens and effective contributors**.

The totality of experiences

The curriculum includes all of the experiences which are planned for children and young people through their education, wherever they are being educated. These experiences are grouped into four categories.

Curriculum areas and subjects

The curriculum areas are the organisers for setting out the experiences and outcomes. Each area contributes to the four capacities and consists of: **Numeracy, Literacy, Health and Well-Being, Religious and Moral Education, Sciences, Technologies, Social Studies and Expressive Arts**

Interdisciplinary learning

The curriculum should include space for learning beyond subject boundaries which will provide learners with the opportunity to develop insights and apply skills in a way and/or to a degree not offered through the study of a discrete curriculum area.

Ethos and life of the school

The starting point for learning is a positive ethos and climate of respect and trust based upon shared values with genuine engagement across the school community.

Opportunities for personal achievement

Children and young people need opportunities for achievements both in the classroom and beyond, giving them a sense of satisfaction and building motivation, resilience and confidence.

Added to this, because children learn through all of their experiences - in the family and community, pre-school centre, nursery and school - the curriculum aims to recognise and complement the contributions that these experiences can make.

Early Years Practitioners and Class Teachers share our curriculum throughout the year with families through our approaches to Profiling and Reporting. If you would like to find out more about our curriculum framework, contact the Head Teacher.

There is also information for parents on: <https://education.gov.scot/parentzone>

Improving Our School

We have identified five areas that we will focus on over the next three years (August 2021 – July 2024) in our effort to ensure that each child and family has a positive learning experience in Cawdor. See [Cawdor's Improvement Five 2021-2024](#)

Each year the school develops, with the school community, a school improvement plan. Through evaluating the progress that the school is making, key actions are identified, and a plan for improvement created. At the end of the school year, a standards and quality report is created to detail the progress that the school has made through the school improvement plan. Our [School Improvement page](#) on the school website provides further information.

The 2020/2021 standards and quality report, and the 2021/2022 school improvement plan can be accessed on the following links:
[2020/2021 Standards and Quality Report](#)
[2021/2022 School Improvement Plan](#)

We also have a [one page visual](#) that we have created to show what we are improving this year.

This year, because of the pandemic, all schools in Highland are focusing on certain key priorities as followings:

- 1. Health and wellbeing**
- 2. Recovery of learning, teaching and assessment**
- 3. Attainment in session 2021/2022 (focusing on identifying new or widened gaps caused by the Covid-19 situation).**

Our Data

Each year, at the end of Primary 1, Primary 4 and Primary 7 we share our attainment data with the Scottish Government to show our progress in attainment.

- **Primary 1:** % of children that have achieved the 'Early' Level of Curriculum for Excellence
- **Primary 4:** % of children that have achieved the 'First Level' of Curriculum for Excellence
- **Primary 7:** % of children that have achieved the 'Second Level' of Curriculum for Excellence.

Teachers at Primary 1, 4 and 7 make these judgements through ongoing assessments and monitoring children's progress in class, linked to the Benchmarks for each of the levels identified by Education Scotland.

Further information on:

<https://education.gov.scot/inspection-reports/highland>

<https://education.gov.scot/parentzone/my-school/school-information-dashboard/>

Enrolment

Primary 1 enrolment

Parents may choose to enrol their child to begin school in August if your child's fifth birthday falls before the last day in February of the following year. Enrolment of new Primary 1 pupils take place in January or February and notice of the exact enrolment dates will be available on the [Highland Council website](#).

Arrangements are made between April and June for the new Primary 1 pupils to spend some time in school to get to know their new teacher (if possible) and the school building. Those attending the Nursery work alongside Primary 1 throughout the year as part of the Early Level curriculum.

Early Learning and Childcare enrolment

Enrolment for Early Learning and Childcare takes place in February each year.

Moving into the Area

It is usually possible to find places for pupils wishing to enrol at other stages in the school. In the first instance parents should contact the Head Teacher via the school office for details of available places and how to apply.

School Placing Requests – Parental Choice

Each school serves its own particular catchment area. Pupils whose homes are located in that area will have priority in being allocated a place in the school. However, parents have the right to specify the school in which they wish to place their child. Application must be made to the Area Education and Learning Manager. Placing request forms can be obtained from:

https://www.highland.gov.uk/info/878/schools/887/enrol_your_child_for_school/2

Transportation to and from school for placing request pupils is a parental responsibility.

School Uniform

The uniform is designed to be smart, yet practical and economical. It comprises any combination of:

- Navy blue school sweatshirt or polo fleece with embroidered badge*
- Navy blue jogging bottoms* / Navy blue or grey trousers/ shorts/ skirt/ pinafore
- Navy blue, sky blue or white polo shirt with embroidered badge*
- Blue, grey or white shirt or blouse

* These items may be bought directly from our supplier. A uniform order form is included with the enrolment pack.

Please ensure that all items of clothing and footwear are clearly labelled with your child's name.

Parental Involvement in Learning

The current pandemic has affected the way in which we are able to engage with parents. For the latest information, please contact the school.

We believe that much of the strength of the school lies in the positive relationships between staff, pupils and their parents. These relationships must be nurtured by a healthy exchange of information between teachers and pupils, between home and school. We always welcome parental interest in the welfare of our pupils. Whatever the nature of the issue, you can be assured of our help.

Your child's key worker if your child is in nursery, or your child's class teacher if your child is in Primary 1 – Primary 7, will share your child's learning across the year through a range of approaches including:

- home learning tasks
- sharing your child's learning profile
- learner progress meetings
- short written report.

Throughout the year we also offer a range of family learning events so that you can support learning at home. We regularly seek the feedback of families to review our approaches to parental involvement and family learning.

In our nursery, our current approaches to capturing and sharing observations of children's learning can be found on the following link:

[Observation Family Information – November 2020](#)

Home Learning

The school's approach to home learning can be found on the following link.

<https://drive.google.com/file/d/1v3gEWic6ZAc9of36sxpvcva64FHDzmq5-/view?usp=sharing>

Assessment

Our aims are to identify the strengths/ areas to work on for each child and improve their attainment, confidence and motivation. To this end, we use observations, class quizzes, topic assessments, learning dialogues etc. to compile information on your child and help identify their next steps. Continuous on-going assessment takes place throughout the school. As children progress through the school we use a combination of different assessment methods to get the best picture possible of your child and their progress. We use this information to plan your child's learning, sharing their progress and next steps.

Key Assessment Tasks

As part of your child's learning, teachers plan for key assessments throughout the year to demonstrate what they have learned. These are part of your child's profile and will be shared with families throughout the year.

Written Report

An end of year written report is issued to parents in June which summarises a child's progress in relation to what is appropriate for their age and stage.

Learner Progress Meetings

Parents are encouraged to come to our annual, formal learner progress meetings where teachers will share their on-going assessments and identify the next steps for an individual child.

Parents may also make an appointment outside of these times if they have an urgent need to discuss their child's welfare or progress with the class teacher. Please be assured you are always welcome to visit the school at any time if you have any other matter you wish to discuss. Please phone the school office to make an appointment or email your child's class teacher in the first instance.

Parent Forum and the Parent Council

The Scottish Schools (Parental Involvement) Act 2006 has changed the arrangements for parental representation in all schools. Since August 2007, all parents are automatically members of the Parent Forum for their school and they have a right to establish a Parent Council to represent them.

The membership of the Parent Forum is made up of all parents who have a child at an education authority school. Membership of the Parent Forum allows parents to have a say in the local arrangements to enable their collective view to be represented on matters such as the quality and standards of education at the school and other matters of interest to parents. One of the ways parents in the Parent Forum will be able to express their views will be through the Parent Council.

The Parent Council is a group of parents selected by members of the Parent Forum to represent all the parents of children at the school. Parent Councils are very flexible groups and the Parent Forum can decide on the type of group it wants to represent their views.

The types of things a Parent Council could get involved in include:

- Supporting the work of the school
- Gathering and representing parents' views to the Head Teacher, education authority and Her Majesty's Inspectorate for Education (HMIE)
- Promoting contact between the school, parents, pupils and the local community
- Fundraising
- Involvement in the appointment of senior school staff

Parent Council

Parent Councils are recognised in law from August 2007. As a statutory body, the Parent Council has the right to information and advice on matters which affect children's education. So, the school and the local authority must listen to what the Parent Council says and give it a proper response. We would encourage any parents to get involved in the life of our school, become a member of the Parent Council and help our school be the best it can be.

Generally, members of the Parent Council must be parents of children who attend the school and the chairperson must have a child in the school. However, the Parent Council can decide to co-opt other members from teachers and the community who will have knowledge and skills to help them.

Members of the Parent Council will bring knowledge from their own experience and personal views. However, as parent representatives, they must also consider how they can ensure that the Parent Council presents a co-ordinated, collective voice through consultation with other members of the Parent Forum. Staff and pupils very much appreciate the help given by the Parent Council to the school. New members are welcome at all times.

The Parent Council Chair is Colin Lyon.

The Parent Council can be contacted on: Cawdor.Primary@highlandpc.co.uk

Our Parent Council are on Facebook – please search **Cawdor Primary School Parents**.

Attendance at School / Registration

During the current pandemic we may need to amend our approaches to recording attendance, for example if it becomes necessary for pupils to work from home. For more details, please contact the school.

Registration will take place by the early years practitioner/ class teacher and is recorded using an electronic system called SEEMiS. The school office will make arrangements to contact any parents/guardians of pupils who are absent.

It is Highland Council policy that where a child is absent or late (and the school has not been given prior notice), the school will make concerted efforts to contact parents/guardians to find out why. **Therefore, it is vital that all parents/guardians should contact the school by 9.15am.** Failure to contact the school will result in an unauthorised absence. All unauthorised absences are actively pursued by the school.

Three Day Rule for Unexplained Absence of Pupils

Day 1; First day of unexplained absence of a pupil

The school will endeavour to make contact by telephone or email to parents, carers or emergency contacts informing them that the child is absent and requesting a reason for the absence. If no contact can be made with the parents/carers or emergency contacts on the first day of absence this will be noted by the school. If the family is known to other agencies, because of possible concerns about his/her wellbeing, then contact will be made with these agencies.

Day 2; Second day of unexplained absence of a pupil

The school will make vigorous attempts to contact a carer or family member by telephone, or e-mail. If no contact can be made on the second day of absence, this will be noted by the school.

Day 3; Third day of unexplained absence of pupil

If no contact is established, a member of staff will arrange a home visit to check the situation. If the child is not found and no satisfactory explanation is given for absence, the police will be notified of the child's non-attendance. The police will treat this as a missing persons alert. The police may be involved to conduct visits where it is not possible for the school to do so.

Steps for Parents

- Keep the school up to date with your telephone number, including mobile phones if you have one, and other details for emergency contacts.
- Inform the school of any pre-arranged absence e.g. attendance at hospital appointment prior to the absence taking place
- Inform the school or pre-school of your child's absence by 9.15am daily
- Respond promptly to contacts from the school

Holidays During Term Time

When parents are considering whether or not to remove their children from school for a family holiday, they should be aware that such a decision:

- will result in a significant loss in classroom experience;
- will result in a pressure to 'catch up' on missed work by pupils;
- could result in pupils missing assessments with consequential impact on pupils and teachers;
- could result in the loss of curricular activities;
- will affect school attendance records and efforts to raise standards of attendance;
- under the guidance issued at a national level, most family holidays will be coded as unauthorised absence, only in exceptional cases will the absence be recorded as authorised.

In conclusion, we would ask parents to be aware of these considerations when making decisions on planning holidays during term time. We have enclosed a link to the school term dates on the Highland Council website to aid parents in planning any holidays they may be considering.

https://www.highland.gov.uk/info/878/schools/32/school_term_dates

If parents decide to make holiday arrangements during school term, this should be confirmed in writing to the Head Teacher.

Equality and Diversity

In Cawdor we believe that our children, staff, family members and the community should be treated with fairness, dignity and respect. The school's Equality and Diversity policy is driven by the Equality Act (2010), through having due regard to the need to:

- eliminate unlawful discrimination, harassment and victimisation and other conduct prohibited by the Act
- advance equality of opportunity between people who share a protected characteristic and those who do not
- foster good relationships between people who share a protected characteristic and those who do not.

We aim to integrate the Equality Act (2010) and the United Nations Convention on the Rights for the Child (UNCRC, 2014) into our curriculum to develop the knowledge, skills, values and attributes set out in the four capacities of Curriculum for Excellence.

The Council's Equality and Diversity policy for schools can be found on the link below:

https://www.highland.gov.uk/downloads/file/11627/promoting_diversity_and_equality_policy

Additional Support Needs

Early Years Practitioners (EYPS)/ Class Teachers, in conjunction with Additional Support Needs Teachers monitor the progress of pupils with additional support. The needs of such pupils are generally catered for within the normal curriculum but with specialist advice and support as required. If necessary, a child's plan may be put in place to help plan, organise, monitor and regularly review a child's progress. Parents and pupils will be involved in these procedures and in reviews. More information can be found about the Highland Council model for support and child's plans at:

https://www.highland.gov.uk/info/886/schools_-_additional_support_needs/1/support_for_learners

Parents will always be involved in discussions about any additional support being suggested for their child and any need that may be identified within the school.

Highland Council would seek to work in partnership with parents at all times, but sometimes you will have a concern that you don't feel is being addressed, or will want to talk to someone out with the school. Should you have any concerns that your child's additional needs are not being met, you should contact the Head Teacher. If your concerns continue, there are a number of means of resolving difficulties and disputes and information on this can be found at:

http://www.highland.gov.uk/info/886/schools_-_additional_support_needs/1/support_for_learners

Further information can be found:

(a) Enquire – the Scottish advice and information service for additional support for learning

<http://enquire.org.uk/>

(b) My Rights, My Say – an advocacy and advice service for young people over 12 with additional support needs <http://enquire.org.uk/myrightsmysay/>

(c) [Scottish Independent Advocacy Alliance](#), an advocacy service to support parents and children

(d) [Scottish Child Law Centre](#), an organisation providing free legal advice to young people.

All children have a Named Person. In P1-P7, the Named Person for your child is James Cook, the Head Teacher. In Early Learning and Childcare this will be your child's health visitor.

Mental Health and Wellbeing

Staff will support the emotional development and wellbeing of pupils through formal and informal curricular activities. Any concerns about a pupil's wellbeing can be discussed with the named person. School have access to Highland Council's Primary Mental Health Worker Service and consultation and advice may be sought if there are concerns that might require more targeted support. Children may also work with the link Children's Services Worker (CSW). Parents would generally be involved in discussions beforehand, however a young person over the age of 12 can ask for support themselves.

Military Families

Our school welcomes and supports families, their children and young people from Forces families: serving, veteran and reservists. We understand some of the challenges that mobility of service life can bring and we look forward to working with you to ensure a smooth transition for your child coming into or moving on from our school. Please get in touch with us as soon as you can so we can work with you to ensure the transition is as smooth as possible.

Highland Council have proudly committed to the Armed Forces Covenant and as such support our veteran and reservist families as well as those currently serving. There is a dedicated Highland Council Military Liaison Group (MLG) which has been formed to promote and ensure equality and equity for your children and young people in their education.

Visit the Highland Council Armed Forces Website for lots of helpful information and support
[CLICK HERE: Highland Council Armed Forces](#)

Positive Relationships and Bullying Prevention

The school follow's Highland Council's guidance on Positive Relationships and Bullying Prevention Policy and Guidance:

[CLICK HERE: Highland Council Promoting Positive Relationships](#)

[CLICK HERE: Highland Council Positive Relationships and Bullying Prevention Policy and Guidance](#)

Religious Observance: The Rights of Learners and Families

Religious observance adopts an open and respectful approach and does not seek to compromise the beliefs of any pupils or their families. Under the terms of the Education (Scotland) Act 1980, parents have the right to withdraw their child from religious observance. The terms of the Act state that "no pupil in any such school shall be placed at any disadvantage with respect to the secular instruction given therein by reason of his being withdrawn". The school will deal with such requests with sensitivity and understanding. The Head Teacher is happy to meet with any parent wishing to withdraw their child to ensure that they are clear about the school policy. Where a child is withdrawn from religious observance, the school will make suitable arrangements for your child to participate in worthwhile alternative activity.

Protection of Children

From time to time incidents can occur within the school setting which cause concern and could indicate that a pupil is suffering some form of abuse.

In terms of Highland Child Protection Committee Inter-agency Protection Guidelines, Education Service staff must report such incidents to Social Work Services which can lead to a joint Social Work/Police investigation.

All agencies involved in Child Protection are obliged to make the welfare of children their paramount consideration and this will be the priority for Education Service staff.

Copies of the Child Protection Guidance can be found on:

[CLICK HERE: Highland Council Child Protection Guidance](#)

The child protection for the school is the Head Teacher.

Medication and Health Care

At the beginning of each year we ask parents to complete an Emergency Contact Form which gives us details of how to contact you or a family member or friend if your child is ill. **It is important that you inform us of any changes of address, telephone number etc. in writing, in the event that we should need to contact you.**

Minor injuries

School will only deal with minor cuts and bruises, these will be cleaned and a plaster applied. If your child is injured or becomes unwell during the school day you or the emergency contact, you have provided will always be contacted and you may be advised to collect your child from school.

If Your Child Becomes Unwell

If your child becomes ill during school time we will make every attempt to contact you or your emergency contact. If a serious incident occurs, it will be dealt with immediately and this may mean that we take action before we are able to contact you. The safety and good health of your child will always be our main concern.

Administering Medication

National Guidance on the Administration of Medicines in Schools has been issued by the Scottish Government.

<https://www.gov.scot/publications/supporting-children-young-people-healthcare-needs-schools/>

This guidance is based on a number of common principles that will be consistently applied when identifying, supporting and reviewing the healthcare needs of children and young people in Highland schools to enable them to make the most of their learning.

Under Article 24 of the United Nations Convention on the Rights of the Child, all children have a right to the highest attainable standard of health and to health care services that help them attain this. Article 7 of the United Nations Convention on the Rights of Persons with Disabilities states that children with disabilities have the right to express their views freely on all matters affecting them. The arrangements for each individual will therefore take account of the health professionals' advice, the pupil's views and, where appropriate, their parent's views.

NHS Highland, Highland Council and school staff will work collaboratively to ensure that pupils receive the service they need in the way most appropriate to their personal circumstances.

We will work with pupils and parents/carers to support the healthcare in our school, making reasonable adjustments that children and young people with healthcare needs might need and require.

Where appropriate, we will make arrangements for staff providing healthcare to pupils to receive appropriate training from a health professional, or other accredited source in the care they are providing.

Assistance with intimate care may be needed by children in any school and this will be provided if required to support these needs quickly and with respect for children's privacy, dignity and rights. If your child requires medication, please note that this will only be administered by staff when there is clear written guidance from a parent/carer, providing:

- The name of the medicine, the quantity of the medicine to be given, the time it has to be given.
- As far as possible prescriptive medication should be given at home by parents/carers. If it is required to be given in school, the medication should be unopen, clearly marked with the directions from the pharmacist and administered as part of an agreed medical protocol.

Parent Line

Children 1st Parentline provides support for families. They can be contacted free of charge by telephone or via web chat. Information on the link below.

<https://www.children1st.org.uk/help-for-families/parentline-scotland/>

Community Centre

The school is attached to community facilities which are used throughout the day. There is a security system in operation from 8am to 6pm weekdays keeping the school safe. Out with these times the community have access to the gym, dinner area, meeting room and cloaks, in addition to their own two designated rooms.

Further information can be found on:

<http://www.cawdorcommunity.co.uk/>

Extra-Curricular Activities

Due to the pandemic, extra-curricular activities are currently limited.

There are various after school clubs running during the school term and information can be gained from the school office. Throughout the year we also offer a range of lunchtime activities coordinated by both children, staff and volunteers.

Transition into Cawdor ELC and P1

Our ELC and P1 Google sites provide information to support transition into ELC/ P1.

[CLICK HERE – ELC Google Site](#)

[CLICK HERE – P1 Google Site](#)

Transition from Primary to Secondary

Pupils are normally transferred between the ages of 11 ½ and 12 ½ years old so that they will have the opportunity to complete at least 4 years of Secondary Education. Parents will be informed of the arrangements no later than December of the year preceding the date of transfer at the start of the new session.

Pupils from this school normally transfer to:

Nairn Academy

IV12 4RD

Tel: 01667 453700

Head Teacher: Julie Macdonald

Some of our P7 pupils transfer to Culloden Academy.

Culloden Academy

IV2 7JZ

Tel: 01463 790851

Head Teacher: James Vance

Complaints and Requests for Service

If a parent has any concerns they should contact their child's key link in the nursery/ class teacher in the first instance, or the Head Teacher if this is deemed more appropriate. The school will always endeavour to resolve issues by listening to parents and seeking solutions in partnership. Should a situation not be resolved, parents can contact the Area Education and Learning Manager, Fiona Shearer, on Fiona.Shearer@highland.gov.uk.

School Meals

School dinners are available at Cawdor Primary School at a price of **£2.30** per meal (at time of print). A copy of the school menu is on the Highland Council website: https://www.highland.gov.uk/info/878/schools/9/school_meals

At present, children in P1-4 are entitled to a free school meal. By August 2022, all children will be entitled to a free school meal.

Pupils may also choose to bring in a packed lunch from home and in keeping with Highland Council's Health Promoting Policy, it is the school's hope that this packed lunch should contain a healthy balanced diet.

Any child wishing to go home for school lunches should indicate this to their class teacher during registration in the morning.

Research shows that eating breakfast helps you concentrate and perform better in school.

Children of parents/guardians receiving certain benefits may be entitled to a free midday meal. Information and application forms for free school meals may be obtained from school office and from [Highland Council website](#).

The school meal service offers nutritionally balanced, well presented food in an environment that is safe, well ordered and sensitive to the needs of pupils in order that they may enjoy the lunchtime social experience. Healthy choices are very much in evidence in all menus. Food and drinks served meet the requirements of The School (Health Promotion and Nutrition) (Scotland) Act 2007.

Special Diet, Food Allergy

If your child requires a special diet for health reasons, please fill in the Special Diet Food Allergy form available on the link below and from the office. The request will be considered by the head teacher in consultation with the school meals service. Where appropriate, they will seek the advice of the local dietician.

Severe Weather Procedures

In exceptional circumstances, for example as a result of heavy snowfall, power outage or water failure, it may be necessary to send children home early.

Where road conditions are the main factor involved, the decision to close the school early will usually be made at the request of the transport contractors who have an obligation to ensure that the children are returned to their pick-up points safely.

The school will contact parents to warn of this outcome. Where parents cannot be reached, the school will contact the emergency contact to arrange collection either at the normal dropping off point, or at the school. In the event of no contact being made with parents or emergency contact, the child will be kept in school until he /she is collected. Parents are strongly advised to ensure that the names of emergency contacts are kept up to date and that the school be notified immediately should this change.

Please note that while the school contractors will make a risk assessment on the advisability of taking children to school in the morning, the decision as to whether a pupil should attempt to travel to school in adverse weather conditions, either by transport or by foot, lies with the parent. While recognising that education should be interrupted as little as possible, the Education Authority accepts that in severe weather, safety of the pupils is paramount.

Detailed instructions, including telephone numbers are issued twice a year but to hear current messages phone –

Emergency School Phone Service number: 0800 56 42 272
Followed by Cawdor Primary's pin number: 04 1700

Further information regarding Highland Council Closure guidelines can be found at:

Moray Firth Radio – www.mfr.co.uk

Normally hourly news bulletins and half-hourly summaries will carry local information on weather, roads and conditions affecting schools. Morning updates will usually be given at **7.10, 7.40, 8.10 & 8.40am**. In severe conditions normal programmes will be interrupted more frequently to carry emergency bulletins.

Your Data

Data Protection Legislation

Information on pupils, parent and guardians is stored on a computer system and may be used for teaching, registration, assessment and other administrative duties. The information is protected by data protection legislation and may only be disclosed in accordance with the codes of practice.

Data policy

Information about pupils' education is collected through our statistical surveys in partnership between the Scottish Government and Local Authorities through the ScotXed Programme which aims to help schools and Local Authorities by supporting efficient collection, processing and dissemination of statistical information. The Scottish Government then provides analysis of the data to support research, planning, management and monitoring of education services as well as to produce National Statistics publications.

Education data within Scottish Government is managed effectively by secure systems and is exploited as a valuable corporate resource, subject to confidentiality restraints. As part of its data policy, Scottish Government will not publish or make publicly available any information that allows individual pupils to be identified, nor will data be used by Scottish Government to take any actions in respect of individuals. Data is held securely and no information on individual pupils can or would be made publicly available by Scottish Government.

The individual data collected by Scottish Government through the Pupil Census is used for statistical and research purposes only.

Information on why we collect data about pupils and who we share this data with can be found in Highland Council's Privacy Notice which is available here:

[CLICK HERE: Highland Council – Data](#)

Your data protection rights

The collection, transfer, processing and sharing of ScotXed data is done in accordance with data protection legislation. We also comply with the National Statistics Code of Practice requirements and other legislation related to safeguarding the confidentiality of data. Data protection legislation gives you the right to know how we will use your data. This note can give only a brief description of how we use data. Fuller details of each individual ScotXed survey, including the purpose of each and the published data, can be found on the ScotXed website:

<http://www.gov.scot/Topics/Statistics/ScotXed/SchoolEducation>

Concerns

If you have any concerns about the ScotXed data collections you can email the Head of Schools Analysis at ScotXed@scotland.gsi.gov.uk or write to The ScotXed Support Office, Area 2D, Victoria Quay, Leith, EH6 6QQ. Alternative versions of this page are available, on request from the ScotXed Support Office, in other languages, audio tape, Braille and large print.
