STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing Document

A Trust Deed was established in 2014 to hold the assets of existing public funds and all further donations, legacies and other monies and property heritable and moveable, real and personal wherever situated and of whatever kind which may hereinafter accrue, be paid, transferred or issued to or acquired by either the Council or the Trust for the Trust purposes.

Appointment of Trustees

The trustees of the charity are the elected members (councillors) of The Highland Council. Trustees are appointed through their election to The Highland Council.

Organisational Structure

The Trustees (as the elected members of the Council) shall meet as often as expedient for the convenient despatch of the business of the Trust. A Trustee may at any time summon a meeting of the Trustees by notice served upon all Trustees, to take place at a reasonably convenient time and date. The Trustees delegate the day to day administration of the charity to the officers of the Council. The Council has established a range of committees with delegated powers to allow it to discharge its business effectively. This includes the management of charities. The Council has an approved constitution that governs the conduct of business by the Council and covers standing orders for meetings, a scheme of administration and delegation, financial and security regulations, contract standing orders and an ethical framework.

Related Parties

Trustees hold this position because they are elected members of The Highland Council. The Highland Council provides administration services to the Trust.

- (f) Advancement of art, heritage, culture or science
- (g) The provision of recreational facilities or the organisation of recreational activities with the object of improving the conditions of life for the persons for whom the facilities or activities are primarily intended
- (h) To assist other charitable organisations with purposes similar to the Trust so as to further their charitable purposes within the Highland Council Area by the provision of financial and/or material assistance

ACHIEVEMENTS AND PERFORMANCE

The Highland Charities Trust was established on 6 March 2014 to amalgamate a number of small charitable trusts held by The Highland Council. The funds from these charitable trusts were combined to enable them to be redirected to better serve the needs of the people of the Highland Council area.

In the year to 31 March 2021 the trustees continued to consider all applications for grant funding received in the year and awarded 1 grant payment which amounted to £60. In 2019/20 the Trust made 4 grant payments totalling £5,412: a Christmas/winter donation of £60; a donation of £952 to a local food bank charity; a contribution of £1,500 to a summer youth programme; the remaining £2,900 was a grant contribution towards the funding of a youth support worker. All grants are analysed in note 5. All payments made were in line with the aims of the Trusts.

Achievements and Future Plans

During the year, the Trust continued to apply the income generated from its investments to meet its charitable objectives. The Trust will review and consider its investment activities and future grant levels in light of reducing revenue from investment income.

FINANCIAL REVIEW

Overview

Income during 2020/21 comprised income from stock market investments of £Nil (2019/20 £139) and interest from deposits held with Highland Council of £1,001 (2019/20 £1,433). The expenditure of the Trusts included Grants and Donations of £60 (2019/20 £5,412) and an annual administration charge to the Highland Council of £3,692 (2019/20 £3,240). There was no Direct Charitable Expenditure in 2020/21 (2019/20 £Nil).

The Trust held investments with a market value of £1,840 (2019/20 £1,366) and unrestricted deposits with Highland Council of £109,248 (2019/20 £112,000).

Management of Funds and Investment Policy

The Trustees rely upon the expertise of The Highland Council to manage the investments to ensure the maximum return at least risk to the charity. In this way, the income stream for the future benefit of the charity is protected.

The funds of the charity are made up of a small number of stock market investments with the majority of the funds deposited with The Highland Council Loans Fund.

For the balance of the funds the charity receives interest at the average market rate for the Council's deposits.

Risk Management

The Director of Corporate Resources of The Highland Council, through the Corporate Audit and Performance Manager, has taken the steps required by trustees to consider the major risks to which the charity is exposed, in particular those related to its operation and finance, and to be satisfied that the systems are in place to mitigate the exposure to the major risks.

Reserves Policy

The unrestricted free reserves at the end of the financial period were £109,248 (2019/20 £112,000). This includes cash and bank only repayable on demand. The Trust has no explicit reserves policy, but reserves are held in order to fund future charitable activities as determined by the Trustees in accordance with the objectives of the Charity. The trust deed states that payments can be made from income or capital of the trust fund and that income need not be fully paid out in any year but can be carried forward provided that it will be used for trust purposes and not accumulated with capital funds.

Plans for the Future

The Trust will continue to utilise the income received each year in line with the charitable purposes.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in Scotland requires the trustees to prepare financial statements for each financial year which are properly presented in accordance with charities legislation. In preparing these financial statements the trustees are required to:

- Select suitable accounting policies and then apply them consistently
- Make judgements and estimates that are reasonable and prudent
- State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities and Trustee Investment (Scotland) Act 2005, Charities Accounts (Scotland) Regulations 2006 (as amended) and the provisions of the charity's constitution. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Statement of disclosure of information to the auditor

In so far as the trustees are aware:

- there is no relevant information of which the auditor is unaware, and
- the trustees have taken all the steps they ought to have taken to make themselves aware of all relevant audit information, and to establish that the auditor is aware of the information.

Declaration

INDEPENDENT AUDITOR'S REPORT

Independent auditor's report to the trustees of Highland Charities Trust and the Accounts Commission

Report on the audit of the financial statements

Opinion on financial statements

We certify that we have audited the financial statements in the statement of accounts of Highland Charities Trust for the year ended 31 March 2021 under Part VII of the Local Government (Scotland) Act 1973 and section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005. The financial statements comprise the Statement of Receipts and Payments, the Statement of Balances and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and a receipts and payments basis.

In our opinion the accompanying financial statements:

- properly present the receipts and payments of the charity for the year ended 31 March 2021 and its statement of balances at that date; and
- have been prepared in accordance with the requirements of the Charities and Trustee Investment (Scotland) Act 2005, and regulations 9(1), (2) and (3) of The Charities Accounts (Scotland) Regulations 2006.

Basis for opinion

We conducted our audit in accordance with applicable law and International Standards on Auditing (UK) (ISAs (UK)), as required by the [Code of Audit Practice](#) approved by the Accounts Commission for Scotland. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of the trustees for the financial statements

As explained more fully in the Statement of Trustees' Responsibilities, the trustees are responsible for the preparation of financial statements which properly present the receipts and payments of the charity, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

HIGHLAND CHARITIES TRUST

Annual Report and Financial Statements

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities outlined above to detect material misstatements in respect of irregularities, including fraud. Procedures include:

- obtaining an understanding of the applicable legal and regulatory framework and how the charity is complying with that framework;
- identifying which laws and regulations are significant in the context of the charity;
- assessing the susceptibility of the financial statements to material misstatement, including how fraud might occur; and
- considering whether the audit team collectively has the appropriate competence and capabilities to identify or recognise non-compliance with laws and regulations.

The extent to which our procedures are capable of detecting irregularities, including fraud, is affected by the inherent difficulty in detecting irregularities, the effectiveness of the charity's controls, and the nature, timing and extent of the audit procedures performed.

Irregularities that result from fraud are inherently more difficult to detect than irregularities that result from error as fraud may involve collusion, intentional omissions, misrepresentations, or the override of internal control. The capability of the audit to detect fraud and other irregularities depends on factors such as the skilfulness of the perpetrator, the frequency and extent of manipulation, the degree of collusion involved, the relative size of individual amounts manipulated, and the seniority of those individuals involved.

A further description of the auditor's responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Reporting on other requirements

Statutory other information

The trustees are responsible for the statutory other information in the statement of accounts. The statutory other information comprises the Trustees' Annual Report.

Our responsibility is to read all the statutory other information and, in doing so, consider whether the statutory other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this statutory other information, we are required to report that fact. We have nothing to report in this regard.

Our opinion on the financial statements does not cover the statutory other information and we do not express any form of assurance conclusion thereon except to the extent explicitly stated in the following opinion prescribed by the Accounts Commission.

Opinion prescribed by the Accounts Commission

In our opinion, based on the work undertaken in the course of the audit the information given in the Trustees' Annual Report for the financial year for which the financial statements are prepared is consistent with the financial statements and that report has been prepared in accordance with The Charities Accounts (Scotland) Regulations 2006.

HIGHLAND CHARITIES TRUST Annual Report and Financial Statements

Matters on which we are required to report by exception

We are required by The Charity Accounts (Scotland) Regulations 2006 to report to you if, in our opinion:

- proper accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or
- we have not received all the information and explanations we require for our audit.

We have nothing to report in respect of these matters.

Use of our report

This report is made solely to the parties to whom it is addressed in accordance with Part VII of the Local Government (Scotland) Act 1973 and for no other purpose. In accordance with paragraph 120 of the Code of Audit Practice, we do not undertake to have responsibilities to members or officers, in their individual capacities, or to third parties.
