

**THE HIGHLAND COUNCIL
PROPOSE TO CONSTRUCT A RAISED JUNCTION AT THE B9161
MILLBANK ROAD / U2581 LITTLEBURN ROAD JUNCTION, MUNLOCHY,
Munloch Primary Safer Routes to School Scheme**

Statement of Reasons

In order to encourage the use of active travel and improve road safety for children walking and cycling to and from Munloch Primary School. The road hump will provide focused traffic speed reduction near the school gate and make crossing the B9161 feel safer and easier to allow the use of an alternative park and stride location.
