Planned Works for next period up to end of March

Kilmallie Rd flood wall

- Continue with final phase of drainage and watermain installation.
- New watermain testing, sampling and tie-in works.
- Continue with Pumping station construction. Move from Civils works to mechanical fit out.

Caol foreshore flood embankment

- Rock armour revetment works ongoing.
- Piling works along line of embankment.
- Drainage works along the toe of the embankment on the shore side.
- Drainage works will move along to Glenmallie Road once finished on Erracht Terrace.

Community Benefits

- **90% of site personnel reside in the Highlands.**
- **65% of site personnel live within 75-mile radius of the site.**
- **50% of site personnel are locals (live within a 10-mile radius of the site).**
- **To date we have employed 2 local labourers, 1 ganger, 2 machine operators and a local cleaner all living within 2 miles of the site.**
- **Adverts in job centre for labourers and machine operators.**
- **Discussions with the local schools on talks, time capsules and training for secondary pupils.**
- **Donation of shinty equipment to Lochaber High School.**
- **An alternative design proposal for part of the works has generated benefits including reduced vehicle movements and a financial saving which is allocated to be spent on Community Benefits.**
