

Register Interest in Becoming a Comfort Scheme

To register interest in becoming a new Comfort Scheme provider, please complete this questionnaire, and return it to HighlandComfortScheme@highland.gov.uk

Upon receipt of the questionnaire an initial assessment will be carried out to determine if the facilities are eligible and if there is a requirement for a new Comfort Scheme in the Area. If appropriate, a site visit may be arranged to discuss the Scheme in more detail and review the facilities in line with the scoring matrix. Once a site visit has taken place and the appropriate rate of grant is determined (if applicable) a recommendation for the Agreement will be sent to Local Area Committee for final approval. Please note that a site visit does not guarantee that the facility will be recommended as a Comfort Scheme.
