Longitude: 006°22'19"W

WGS 84 Datum

Mariners are advised that on or about 15 June 2022, Shearwater Marine Services will commence a dive operation at Uig Harbour, Loch Snizort - Isle of Skye on behalf of RJ McLeod Contractors limited.

The dive works will be in the vicinity of the pierhead and approachway and will be undertaken as required from the quay structure and neighbouring slipway. The programme of work is estimated to last for approximately 1 Week and will not impact on the scheduled ferry service. A work vessel (*Vega De Lyra*) will also be in attendance for the duration of the operation.

While divers are in the water a flag will be displayed and the dive supervisor will maintain communication with Calmac Ferries, Uig Harbour Master and Works supervisor via VHF Radio throughout the duration of the works.

Channel 12 and 16

Pier access by other vessels will be restricted and only permitted by prior arrangement with the Harbour Master.

All vessels navigating in the vicinity of Uig Harbour during this time are requested to exercise extra vigilance and pass at minimum safe manoeuvring speed and sufficient distance from the ferry terminal so as to minimise the effects of wash.

Further details can be obtained using the contact details below.

Issued on behalf of [REDACTED]

RJ McLeod Contractors Limited in association with Uig Harbour.
