

**THE HIGHLAND COUNCIL  
PROPOSE TO CONSTRUCT A RAISED JUNCTION AT THE B970  
STATION ROAD / C1141 SPEY STREET JUNCTION, AND A RAISE TABLE  
UNCONTROLLED PEDESTRIAN CROSSING ON THE B970 STATION  
ROAD, KINGUSSIE,**

**Statement of Reasons**

In order to encourage the use of active travel and improve road safety for children walking and cycling to and from Kingussie Primary, Kingussie High School Primary School as well as improve active travel facilities for those wishing to access the Gynack Garden or Train Station. The raised junction will provide focused traffic speed reduction and general improvements for active travel users in the area and make crossing the Station Road and Spey Street feel safer and easier. The raised table at Kingussie Primary will facilitate an easier crossing of Station Road and encourage the pedestrian traffic to use the Gynack Gardens taking active travel users away from the roadside.
