Guidance for Completion of Nomination Forms

Please read these notes carefully before completing the nomination form

(1) Candidates

It is the responsibility of the Candidate to ensure that the nomination form is properly completed and duly submitted. If papers are returned in good time, errors may be identified, and an opportunity given to amend the paper. If there is insufficient time for this prior to the close of nominations (Wednesday 15 February 2023 at 4pm), a nomination paper may be ruled invalid.

Candidates must be aged 21 at the time of their nomination and must sign the consent to nomination and the other statutory declarations contained in the nomination form. **Candidates do not need to be resident in the Ward for which they wish to stand, nor the Park area generally.**

Candidates should give their full legal name where required on the form. However, if Candidates wish to be described on the ballot paper by a name that is different from this, they must detail this on the nomination form. For example, James Brown is known to all his friends as 'John'. On the nomination form he should enter John against 'commonly used forename (if any)' John Brown will therefore be the name that will appear on the Statement of Persons Nominated and the ballot paper instead of James Brown.

(2) Proposer, Seconder and Assentors

The nomination form requires to be subscribed by **2** electors as proposer and seconder and **4** other electors as assentors who are eligible to vote in the National Park ward in which the Candidate is standing.

Any names and addresses given must be as they appear in the Register of Electors. Electoral Numbers can be obtained or checked by contacting the appropriate Electoral Registration Office listed below.

A person shall not subscribe more than one nomination form for the same ward and must be at least 16 years of age on the day the nomination paper is signed.

If a proposer, seconder or assentor does subscribe more than one nomination paper, and this is not corrected by the close of nominations, the first nomination paper received with that individual's signature will remain (in that respect), valid, and any subsequently subscribed nomination papers will be deemed invalid.

(3) Informal Check of Nomination Form

Whilst nomination packs must be submitted to the appropriate office listed below, the Returning Officer is offering an informal checking service, provided the nomination forms are submitted sufficiently far in advance of the close of nominations.

Candidates should be aware that the nomination forms are being checked informally and the Returning Officer or his staff cannot be held responsible if they fail to identify any error or omission during the informal check. The completion of the nomination form remains the responsibility of the Candidate.

Informal papers for checking should be submitted by email to the appropriate Depute Returning Officer listed at annex 1 with the candidate's contact telephone number and they will be acknowledged with a receipt of their request. After the informal check has been completed, the Candidate will be contacted to advise them of any errors identified to be corrected before the final submission. If there have been no issues identified the Candidate will be invited to make an appointment and formally submit the form by hand to the Depute Returning Officers at the appropriate office listed at annex 1.

Once a nomination form has been validated, the Candidate cannot make any further changes.

It is recommended that you contact the appropriate Officer in advance to arrange an appointment. The Returning Officer will not accept any nomination forms delivered after 4pm on Wednesday 15 February 2023.

(5) Withdrawal of Nominations

Withdrawal of nominations will only be valid if a duly completed and returned withdrawal of nomination form is submitted to the appropriate Depute Returning Officer (as detailed in annex 1) by 4pm on Wednesday 15 February 2023.

Where a Candidate has submitted nomination forms in respect of more than one ward, they must give notice on the enclosed withdrawal form that they are withdrawing from all but one ward, or they shall be deemed to have withdrawn as a Candidate in all of those wards.

(6) Candidate's Statement

Candidates may submit a statement either on the form enclosed or in any other form. The statement must be submitted within the time for delivery of Nomination Papers before 4pm on Wednesday 15 February 2023. The statement must not be more than 250 words long. If the statement exceeds 250 words, Candidates will be invited to reduce the length of the statement. If the Candidate does not reduce the length of the statement, the Returning Officer will publish the first 250 words thereof.

The statement must clearly have printed the name of the candidate and ward number. A copy of your candidate's statement must also be hand delivered with your nomination paper. In order for us to publish your statement, Candidates are being encouraged to submit their statement electronically by email in word format or PDF to the appropriate Depute Returning Officer detailed in annex 1.

In accordance with the election order, copies of statements will be sent with the ballot paper, to every elector within the relevant ward. If a candidate does not submit a statement within the deadline then electors will be informed on the list of statements that no statement was received.

By virtue of paragraph 11 (4) of Part II of The Cairngorms National Park Elections (Scotland) Order 2003, the Returning Officer retains the right to refuse to issue such communications if, in his opinion, the contents of the communication are unlawful.

(7) Election Expenses

Please note that such sums incurred by the candidate are not refundable. The expense forms will be issued to candidates after the close of nominations.
