

Declaration of Interest in Corporate Sponsorship

We, the undersigned, can affirm that we would be interested in purchasing a corporate sponsorship for Invergordon Town Hall's Cinema, in the event of Invergordon Naval Museum and Heritage Centre being awarded a lease of the building and choosing to run the cinema themselves.

We would be interested in the purchase of 1 seats (£1,500 per year per pair). We understand that our seats would be marked as ours and that we can offer these seats to whoever choose for any performance, show or event held in the cinema upon giving a minimum of 2 hours' notice of our intent to use for that day.

We understand this is only a registration of interest and that a further contract would need to be signed for it to come into effect and that this would only happen if Invergordon Naval Museum and Heritage Centre are running the Theatre/Town Hall portion of the building themselves.

We understand the sponsorship fee would need to be paid in advance on a yearly basis.
