

Standard and Quality Report

2022/23

Daviot Primary School
HIGHLAND COUNCIL | DAVIOT PRIMARY, DAVIOT

Honest Encouraging Inclusive Kind and Respectful

Introduction: Local and National Context

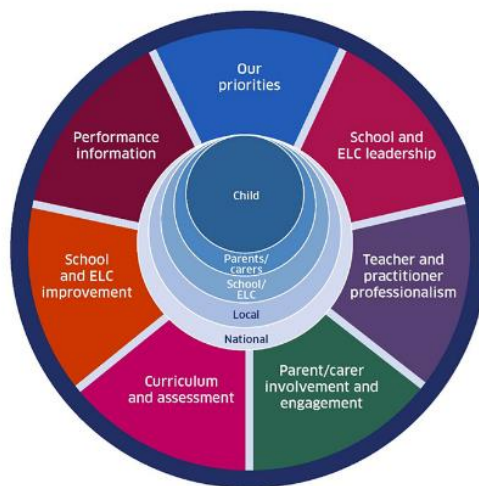

Ro-ràdh: Co-theacsa Ionadail agus Nàiseanta

This Standards and Quality Report is influenced by both Highland and national priorities. These can be summarised as follows:

Highland Priorities

National Improvement Framework Priorities

Entitlement, Excellence & Equity:

We will raise attainment and achievement for all, especially for children and young people from disadvantaged circumstances, including rural deprivation. We will focus relentlessly on improving standards and the quality of learning and teaching, to ensure that entitlement, equity and excellence are delivered across the system.

Empowerment & Leadership:

We will develop leadership skills at all levels of the system, for now and the future, building a culture of empowerment and professional capital.

Relationships:

We will maximise health and wellbeing for all children and young people, to give them the best possible start in life. We will ensure every child and young person feels part of the community they live in.

Opportunity:

We will maximise opportunities for our children and young people, and for the wider Highland community and its visitors, through the provision of high-quality services.

The key priorities outlined in the National Improvement Framework are:

- Placing the **human rights and needs of every child** and young person at the centre of education
- Improvement in children and young people's **health and wellbeing**
- **Closing the attainment gap** between the most and least disadvantaged children and young people
- Improvement in skills and **sustained, positive school-leaver destinations** for all young people
- **Improvement in attainment**, particularly in literacy and numeracy.

Self-evaluation

To support self-evaluation, quality indicators from the national evaluative framework How Good Is Our School?4 are referenced.

Links to these sources (and others referenced) can be found here:

- [National Improvement Framework Improvement Plan](#)
- [HGIOS? 4](#) and [HGIOELC](#)
- [Health and Social Care Standards](#)
- [National Gaelic Language Plan](#)

In this report the following words are used to describe the numbers and proportions used:

All	Almost all	Most	Majority	Less than half	Few
100%	91% - 99%	76% - 90%	51% - 75%	16% - 50%	Up to 15%

We are pleased to present our Standards and Quality Report for Session 2022-23. This report forms part of our quality improvement framework and provides important information regarding our school's progress to date and our next steps in school improvement.

Self-Evaluation for Self-Improvement is at the heart of our practice. We continue to develop our practice in making robust use of evidence as a basis for judgements regarding the impact of our work on our learners. All staff understand that self-evaluation is an integral aspect of our approach to continuous improvement through addressing the 3 key questions:

- How well are we doing?
- How do we know?
- What are we going to do now?

Throughout the year we continuously evaluate what we do and how it makes a difference to our learners. We want to know what is working well for our school community and what needs further improvement. We inform decision making and actions through a continuous process of looking inwards, outwards and forwards.

Looking inwards - starts with those working with our children and young people

We focus on the impact on outcomes for learners. Our self-evaluation processes triangulate information, data, people's views and observation of practice to measure impact and inform planning for improvement.

Looking outwards - learning from others

Looking to others for new ideas that challenge our practice and support continuous improvement allows us to learn from what works and what doesn't. This includes practice in other schools, learning communities and learning from educational research.

Looking forwards - creating a vision and planning for implementation

Through leadership at all levels, we anticipate challenges and explore creative solutions. This helps us to create an aspirational vision for our school which shapes our actions and provides a focus for improvement.

Our children and young people are actively consulted and involved in this process. We also give staff, parents/carers, and other partners the opportunity to participate in discussions and activities to shape our improvement journey.

When we develop our improvement plan, we use key questions at scheduled review times throughout the session to know how well we are progressing towards achieving these positive outcomes and changes.

Together we are working hard to ensure the Highlands is the best place for children and young people to grow up safely, learn, develop and achieve.

With positive experiences, our children and young people will always see the Highlands as home.

Le eòlasan deimhinneach, bidh ar cloinn is ar n-òigridh daonnan a' faicinn na Gàidhealtachd mar dhachaigh.

Arlene Beattie
Head Teacher
Daviot Primary School

School Profile

Pròifil na Sgoile

The following information can be found on [Parentzone Scotland](#). It is important to remember that statistical data alone is not a measure of how well we are doing. All schools are unique. To understand how well we are doing it is important for us to look at a range of different data sources.

Attendance 95.3%		Average Class Size 11		Meeting PE Target Target Met				
Pupil Numbers 11		Teacher Numbers 2 (including management cover)		Pupil Teacher Ratio 11:1				
N3 0	N4 0	P1 0	P2 3	P3 1	P4 2	P5 1	P6 1	P7 3

2022/23 Proportions of pupils achieving Curriculum for Excellence Levels (P1, P4, P7 combined):

Reading	Writing	Listening and talking	Numeracy
Almost all	Most	Almost all	Most

Daviot Primary serves the hamlets of Daviot East and Daviot West, four miles south of Inverness, the school is part of the Millburn ASG. Currently the school roll comprises of eleven P2-7 pupils. Pupils are taught as one class with a 1.0fte class teacher, split between the cluster Principal Teacher (management) and a part time class teacher across the school week.

The headteacher has overall leadership responsibility for both Daviot Primary and Strathdearn Primary. The headteacher is supported by a cluster principal teacher. Staff and children from both schools work together termly.

As the school roll comprises a small number of children, attainment and progress will be expressed in 'overall' statements, rather than specific year groups or Curriculum for Excellence levels. This is to ensure the identity of individuals is not disclosed.

Overall, attainment across the school in literacy and English and numeracy and mathematics is good. Children achieve appropriate CfE levels in literacy and numeracy and, across the school, few children are exceeding national expected levels. All children who face barriers to learning are making good progress towards meeting their individual targets.

Overall children are making the following progress:

Reading	Writing	Listening and talking	Numeracy
Good progress	Good progress	Good progress	Good progress

We have had no exclusions this year.

School vision, values and aims

Lèirsinn, luachan agus amasan na sgoile

In March 2022, we worked in partnership with our pupils, staff and parents to develop a new vision for our cluster. Our New Values are –

- Honest
- Encouraging
- Kind
- Respectful
- Inclusive

In tandem with the language of SHANARRI we talk about many aspects of social, emotional, behaviour and subject learning through these values and their relationship to our well-being through the well-being indicators.

Review of progress for session

Ath-sgrùdadh air adhartas airson an t-seisein

These projects are linked to the vision and priorities for Scottish Education based on delivering excellence and equity. Parent/Carer information is available [here](#).

School Priority:

Improving Attainment in Literacy – Writing

Purpose: Post Covid, the attainment data was showing a decrease in literacy levels across the school particularly in the area of writing. The school did not have a consistent way to teach writing across the school.

Progress:

- ✓ All teaching staff attended Talk for writing training online over a 6-week block.
- ✓ Writing rubrics, linked to the benchmarks, are used consistently across the school to assess writing at key points in the year.
- ✓ Writing attainment results are recorded throughout the year on the schools tracking, moderating, and reporting portal.
- ✓ Daily opportunities for writing are evident in each classroom.
- ✓ Writing attainment across P2-P7 has increased for all pupils.

Impact:

- ✓ Observations through learning visits show greater consistency in the effective teaching of writing. All teachers report that there is improved learner engagement and accelerated learner progress in writing – evidenced through tracking using progression pathways and the schools TMR portal.
- ✓ Rigorous assessments and tracking have enabled all pupils who require additional support/challenge in writing to be identified effectively with next steps in place.
- ✓ Good progress was made in this area.

Next steps:

- Continue to ensure continuity in teaching of writing across the school improves the attainment data.
- Enable teaching staff to develop their knowledge by attending further Highland Council training (comprehension, Wrap around spelling and further Talk for Writing) to support the literacy pathways and progressions for Daviot Primary
- Ensure moderation of writing is consistent and includes writing pieces from various schools (ASG) to enable the school to look outwards at others in our local area.

Our Learning Journey – E profiles

Purpose: Increase pupil voice through the use of profiling, enabling our learners to know exactly who they are as a learner and identify their next steps. The purpose was also to engage parents/carers in their child/rens learning.

Progress:

- ✓ All staff attended an Inset day training Session on Google Sites.
- ✓ All P2-7 set targets and evaluate these in their e-profiles.
- ✓ Parent/carer access is set up to allow access at any time.
- ✓ Weekly reflections are made by the pupils each week to reflect on their learning and progress.
- ✓ Wider achievements for home and outside clubs are recorded through the E-profile

Impact:

- ✓ All staff are confident in using Google Sites for pupil profiles, including pupils support staff.
- ✓ Most pupils are aware of their curriculum targets for the term and can share these with an adult/parent verbally.
- ✓ Pupils wider learning is captured through photos or weekly reflection allowing all pupils to share in their successes.
- ✓ Parental feedback in September and May highlighted the positives – ‘more child led’, ‘helps to engage my child in conversations at home about their learning’, ‘Easy to follow and great to see the photos and their words being shared’ and ‘I love how we can see them at any time’
- ✓ Impact of the project has been shared nationally and highlighted in The Education Scotland’s Profiling Learners’ Achievements paper due to be published this year.
- ✓ Good progress was made in this area.

Next steps:

- Develop feedback at all stages through the learning conversations to ensure pupils are specific about how they have met their target – where is the evidence?
- Develop concise and relevant learning intentions and success criteria during class lessons to enable the pupils to reflect and self-assess their progress.
- Schedule ‘profile weeks’ throughout the year so that parents are aware of when there has been a significant change made to the profiles – Feedback from parents (May 2023)

School Priority:

Analysis of tracking data to inform assessment and moderation across Millburn ASG

Purpose: Better consistency across Millburn ASG primaries in relation to assessment, tracking and moderating of literacy, numeracy and health&wellbeing. All primary schools will use the same dashboard to input their assessment data at the same time of year enabling moderation to be carried out across the ASG.

Progress:

- ✓ Common tracking dashboard created for all ASG primaries agreed and being used effectively by the majority of staff.
- ✓ Effective tracking in place to identify those who require additional support/challenge
- ✓ Process for assessment and tracking is manageable and timely.
- ✓ Moderation of data highlighted strengths and weaknesses across school and ASG.
- ✓ Standardised assessments (NSA, GL) data is inputted and tracked across P1-7

Impact:

- ✓ All staff are confident to input data into the TMR
- ✓ Majority are using the TMR data to inform next steps in their learning and teaching plans.
- ✓ Individual pupils who require support/challenge are being identified and supported at an earlier stage than previously.
- ✓ ASG have a consistent approach and timetable for assessments which has allowed staff to discuss and moderate data across the cluster.
- ✓ All teachers have a better understanding of how to use data effectively to enhance the attainment of the pupils.
- ✓ Good progress was made in this area.

Next steps:

- Continue to use the TMR to track and assess pupil progress across the stages.
- Allow time to be set aside for teaching staff to analyse the data from NSA,SOFA and other assessments during collegiate sessions.

Progress and impact of Pupil Equity Fund

Adhartas agus buaidh Maoin Cothromas Sgoilearan

Intervention	Impact / progress summary
Emotion works	Increased use of the emotion works strategies across P2-7. Pictorial prompts proving effective with de-escalating and to support pupils with additional support needs. This is year 2 so the strategies are embedded into curriculum and linked with school vision, values and aims.
Talk for writing	All staff trained and confidently delivering talk for writing sessions daily to all pupils. Termly assessments have enabled interventions to be set up swiftly to address any pupils not making significant progress. All pupils have made good progress in writing this session and attainment across the P2-7 class has increased.

GL assessments for P2,3,5, and 6.	Assessments carried out in August to inform and back up teacher judgements. Moderation of data during Inset enabled all staff to develop confidence in using data to inform next steps. Intervention groups set up to support those who required additional help. Baseline for whole school in levels of attainment established which will support improvement and developments long term. Form1s completed with clear achievable targets for individuals.
Literacy Phonics Scheme	The dandelion readers have allowed our youngest learners to access reading text immediately after being able to blend key sounds. Engagement in reading has improved and these pupils are actively reading more, and confidence/ self-esteem has improved. Reading ages across the school have increased with the support of these texts to support our youngest/less able readers.

Wider achievements

Coileanaidhean nas fharsainghe

During the session 2022_23 Daviot has welcomed many visitors to our school to enhance the opportunities for all our pupils. These include –

- Highland Rugby Club
- Ross County Football Club
- Inverness Ice Centre
- Feis Ros
- Kodaly
- Academy 9
- Glasgow Science Centre

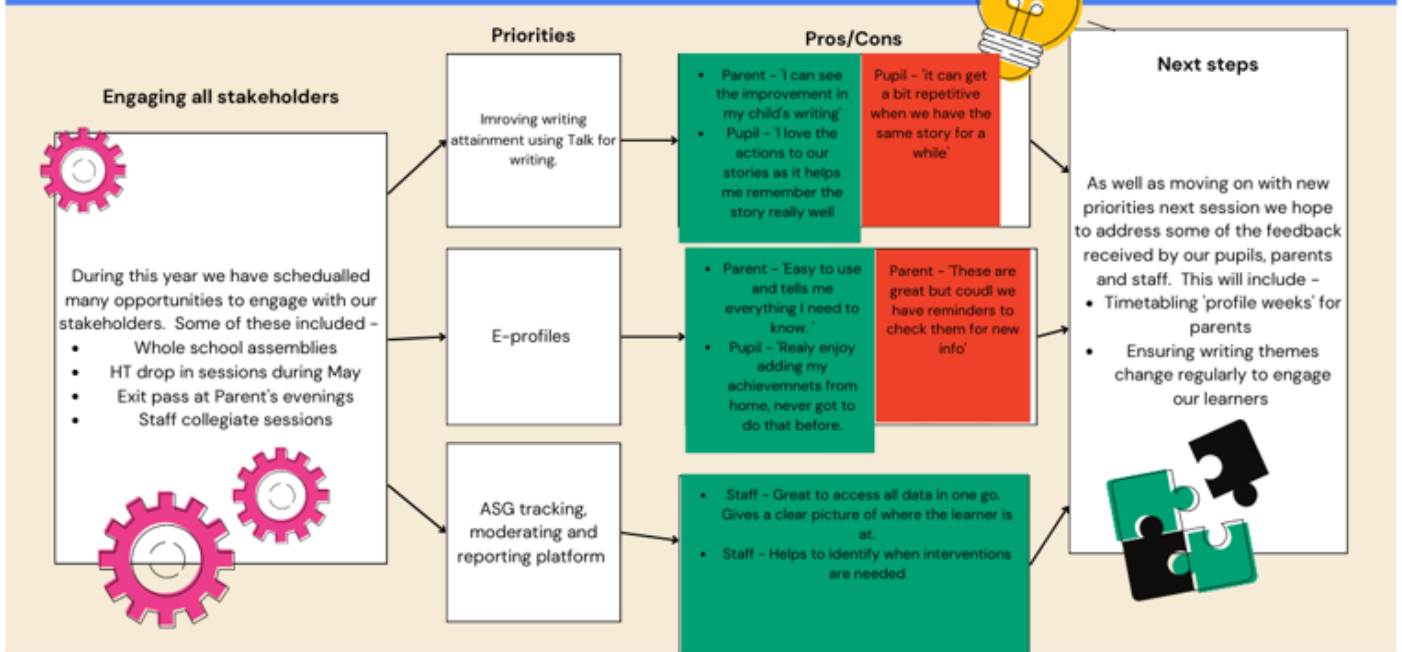

The pupils of Daviot have also had the opportunity to take part in sporting events in their local community. These included Cross Country and the MacRobert Cup. Daviot pupils have also had the opportunity to join with their cluster peers for outdoor learning sessions. This is something we wish to develop further next session

Personal wider achievements of pupils are shared monthly through our virtual cluster assembly. As a cluster we share our achievements before adding these to the e-profiles. Pictures and stars (highlighting the achievement) are placed in the front entrance for visitors and peers to look at.

Our School Developments 22/23

Capacity for continuous improvement Comas airson leasachadh leantainneach

Using indicators from 'How Good is our School 4' together with learner, parent, carer, partner and community feedback we believe we have made the following progress this session:

	ELC	PRIMARY	SECONDARY
QI 1.3 Leadership of change	Choose an item.	Good	Choose an item.
QI 2.3 Learning, teaching and assessment	Choose an item.	Very good	Choose an item.
QI 3.1 Wellbeing, equality and inclusion	Choose an item.	Very good	Choose an item.
QI 3.2 Raising attainment and achievement/Securing children's progress	Choose an item.	Good	Choose an item.

Our overall evaluation of our capacity for continuous improvement is:

We are confident in our capacity for continuous improvement.

Key priorities for improvement planning Prìomhachasan airson planadh airson leasachadh

- Continue to ensure continuity in teaching of writing across the school shows improvements in pupil progress.

- Enable teaching staff to develop their literacy knowledge by attending further Highland Council training if available.
- Ensure moderation of writing is consistent and includes writing pieces from various schools (ASG) to enable the school to look outwards at others in our local area.
- Develop feedback at all stages through the learning conversations to ensure pupils are specific about how they have met their target – where is the evidence?
- Develop concise and relevant learning intentions and success criteria during class lessons to enable the pupils to reflect and self-assess their progress.
- Schedule 'profile weeks' throughout the year so that parents are aware of when there has been a significant change made to the profiles – Feedback from parents (May 2023)
- Continue to use the TMR to track and assess pupil progress across the stages.
- Allow time to be set aside for teaching staff to analyse the data from NSA,SOFA and other assessments during collegiate sessions.

Planning ahead

A' planadh air adhart

Full details of the school's 2023/24 improvement priorities and actions are detailed on the school improvement plan, which can be accessed on our website <https://daviotschool.wordpress.com/> or by contacting the school office.
