

STANDARDS AND QUALITY AITHISG INBHEAN IS CA

2022/23

Lybster Primary School
HIGHLAND COUNCIL | MAIN ST, LYBSTER KW3 6BJ

Introduction: Local and National Context

Ro-ràdh: Co-theacsa Ionadail agus Nàiseanta

This Standards and Quality Report is influenced by both Highland and national priorities. These can be summarised as follows:

Highland Priorities

National Improvement Framework Priorities

Entitlement, Excellence & Equity:

We will raise attainment and achievement for all, especially for children and young people from disadvantaged circumstances, including rural deprivation. We will focus relentlessly on improving standards and the quality of learning and teaching, to ensure that entitlement, equity and excellence are delivered across the system.

Empowerment & Leadership:

We will develop leadership skills at all levels of the system, for now and the future, building a culture of empowerment and professional capital.

Relationships:

We will maximise health and wellbeing for all children and young people, to give them the best possible start in life. We will ensure every child and young person feels part of the community they live in.

Opportunity:

We will maximise opportunities for our children and young people, and for the wider Highland community and its visitors, through the provision of high-quality services.

The key priorities outlined in the National Improvement Framework are:

- Placing the **human rights and needs of every child** and young person at the centre of education
- Improvement in children and young people's **health and wellbeing**
- **Closing the attainment gap** between the most and least disadvantaged children and young people
- Improvement in skills and **sustained, positive school-leaver destinations** for all young people
- **Improvement in attainment**, particularly in literacy and numeracy.

Self-evaluation

To support self-evaluation, quality indicators from the national evaluative framework How Good Is Our School?4 are referenced.

In this report the following words are used to describe the numbers and proportions used:

All	Almost all	Most	Majority	Less than half	Few
100%	91% - 99%	76% - 90%	51% - 75%	16% - 50%	Up to 15%

We are pleased to present our Standards and Quality Report for Session 2022-23. This report forms part of our quality improvement framework and provides important information regarding our school's progress to date and our next steps in school improvement.

Self-Evaluation for Self-Improvement is at the heart of our practice. We continue to develop our practice in making robust use of evidence as a basis for judgements regarding the impact of our work on our learners. All staff understand that self-evaluation is an integral aspect of our approach to continuous improvement through addressing the 3 key questions:

- How well are we doing?
- How do we know?
- What are we going to do now?

Throughout the year we continuously evaluate what we do and how it makes a difference to our learners. We want to know what is working well for our school community and what needs further improvement. We inform decision making and actions through a continuous process of looking inwards, outwards and forwards.

Looking inwards - starts with those working with our children and young people

We focus on the impact on outcomes for learners. Our self-evaluation processes triangulate information, data, people's views and observation of practice to measure impact and inform planning for improvement.

Looking outwards - learning from others

Looking to others for new ideas that challenge our practice and support continuous improvement allows us to learn from what works and what doesn't. This includes practice in other schools, learning communities and learning from educational research.

Looking forwards - creating a vision and planning for implementation

Through leadership at all levels, we anticipate challenges and explore creative solutions. This helps us to create an aspirational vision for our school which shapes our actions and provides a focus for improvement.

Our children and young people are actively consulted and involved in this process. We also give staff, parents/carers, and other partners the opportunity to participate in discussions and activities to shape our improvement journey.

When we develop our improvement plan, we use key questions at scheduled review times throughout the session to know how well we are progressing towards achieving these positive outcomes and changes.

Together we are working hard to ensure the Highlands is the best place for children and young people to grow up safely, learn, develop and achieve.

With positive experiences, our children and young people will always see the Highlands as home.

Le eòlasan deimhinneach, bidh ar cloinn is ar n-òigridh daonnan a' faicinn na Gàidhealtachd mar dhachaigh.

The following information can be found on [Parentzone Scotland](https://www.parentzone.scot.nhs.uk/). It is important to remember that statistical data alone is not a measure of how well we are doing. All schools are unique. To understand how well we are doing it is important for us to look at a range of different data sources.

These projects are linked to the vision and priorities for Scottish Education based on delivering excellence and equity. Parent/Carer information is available [here](#).

School Priority:

Improving Attainment in Reading

Purpose:

Our school data indicates that a significant number of our pupils do not make the progress in reading that we would expect. Pupil engagement with books and reading more generally is also not as frequent as we would like. To read for pleasure.

Progress:

Content:

- ✓ Succeeded in raising the profile of reading across the school.
- ✓ Progress towards accreditation with Scottish Books Trust (including involvement of families)
- ✓ Lead colleague taken part in training to develop her skillset
- ✓ More suitable resources were purchased (through DSM and PEF)
- ✓ Book Bug programme launched to encourage reading at home
- ✓ More purposeful and regular use of the Mobile Library
- ✓ Staff and older pupils modelling reading more regularly

Impact:

- ✓ More children are reading more regularly and more confidently for themselves and for an audience
- ✓ The percent of pupils predicted to achieve expected level for reading in P1,4,7 combined has increased meaning that most learners now achieve expected level in reading
- ✓ Teachers view that the increased abilities in reading has also impacted on pupil writing
- ✓ Improved abilities in reading has allowed pupils to access other areas of the curriculum more confidently
- ✓ Pupils are able to engage in conversations about reading more confidently

Next steps:

- Continue to embed approaches
- Complete Scottish Books Trust accreditation
- Continue to restock library with a focus on equalities and diversity

School Priority:

Improving the Health and Well-being of all our learners

Purpose:

A significant number of pupils at our school are not ready for learning because of a variety of factors that affect their health and well-being. This affects their ability to focus and so make progress in their learning.

Progress:

Impact:

Live, Learn, Love Life

Content:

- ✓ Identified pupils who needed to develop social skills and planned purposeful activities such as baking and gardening (funded through PEF)
- ✓ Embedded 'Mile a Day'
- ✓ Soft start/reflection time given to focus classes
- ✓ Friendship groups established
- ✓ Peedie Yoga embedded
- ✓ Fewer incidents of extreme behaviours during the school day
- ✓ Pupils are more focused in learning and this is reflected in the increased numbers of pupils in P1,4,7 predicted to achieve expected levels in reading, writing and numeracy for their age and stage.

Next steps:

- Achieve Rights Respecting Schools Bronze
- Develop a more consistent approach to gathering pupil views and reviewing provision to meet needs (Glasgow Motivation and Well-being Profile)

Progress and impact of Pupil Equity Fund

Adhartas agus buaidh Maoin Cothromas Sgoilearan

The main focus for PEF has been reading and health and well-being. Activities funded through PEF have impacted positively on the number of pupils across the school who are predicted to achieve age related expectations. The attendance of 11/16 (69%) pupils eligible for PEF has increased compared to the previous year (SEEMiS).

Wider achievements

Coileanaidhean nas fharsainghe

Re opening the school to the community following COVID restrictions, through performances, open afternoons, parent evenings and other events has been a real celebration for us this year.

Pupils have taken part in the Caithness Music Festival.

A STEM project 'Goblin Car' has allowed pupils to work across our cluster.

Our Parent Council have been very active and have funded several activities for pupils as well as funding outdoor picnic tables.

P7 pupils have taken part in a three-day residential visit with pupils from three other primary schools.

P6/7 have completed the Young Leaders programme.

School colleagues have completed CALMS theory training.
