

STANDARDS AND QUALITY REPORT

2022/23

ST. BRIDE'S PRIMARY SCHOOL and ELC
HIGHLAND COUNCIL | NORTH BALLACHULISH

Introduction: Local and National Context

Ro-ràdh: Co-theacsa Ionadail agus Nàiseanta

This Standards and Quality Report is influenced by both Highland and national priorities. These can be summarised as follows:

Highland Priorities

National Improvement Framework Priorities

Entitlement, Excellence & Equity:

We will raise attainment and achievement for all, especially for children and young people from disadvantaged circumstances, including rural deprivation. We will focus relentlessly on improving standards and the quality of learning and teaching, to ensure that entitlement, equity and excellence are delivered across the system.

Empowerment & Leadership:

We will develop leadership skills at all levels of the system, for now and the future, building a culture of empowerment and professional capital.

Relationships:

We will maximise health and wellbeing for all children and young people, to give them the best possible start in life. We will ensure every child and young person feels part of the community they live in.

Opportunity:

We will maximise opportunities for our children and young people, and for the wider Highland community and its visitors, through the provision of high-quality services.

The key priorities outlined in the National Improvement Framework are:

- Placing the **human rights and needs of every child** and young person at the centre of education
- Improvement in children and young people's **health and wellbeing**
- **Closing the attainment gap** between the most and least disadvantaged children and young people
- Improvement in skills and **sustained, positive school-leaver destinations** for all young people
- **Improvement in attainment**, particularly in literacy and numeracy.

Self-evaluation

To support self-evaluation, quality indicators from the national evaluative framework How Good Is Our School?4 are referenced.

Links to these sources (and others referenced) can be found here:

- [National Improvement Framework Improvement Plan](#)
- [HGIOS? 4](#) and [HGIOELC](#)
- [Health and Social Care Standards](#)
- [National Gaelic Language Plan](#)

In this report the following words are used to describe the numbers and proportions used:

All	Almost all	Most	Majority	Less than half	Few
100%	91% - 99%	76% - 90%	51% - 75%	16% - 50%	Up to 15%

We are pleased to present our Standards and Quality Report for Session 2022-23. This report forms part of our quality improvement framework and provides important information regarding our school's progress to date and our next steps in school improvement.

Self-Evaluation for Self-Improvement is at the heart of our practice. We continue to develop our practice in making robust use of evidence as a basis for judgements regarding the impact of our work on our learners. All staff understand that self-evaluation is an integral aspect of our approach to continuous improvement through addressing the 3 key questions:

- How well are we doing?
- How do we know?
- What are we going to do now?

Throughout the year we continuously evaluate what we do and how it makes a difference to our learners. We want to know what is working well for our school community and what needs further improvement. We inform decision making and actions through a continuous process of looking inwards, outwards and forwards.

Looking inwards - starts with those working with our children and young people

We focus on the impact on outcomes for learners. Our self-evaluation processes triangulate information, data, people's views and observation of practice to measure impact and inform planning for improvement.

Looking outwards - learning from others

Looking to others for new ideas that challenge our practice and support continuous improvement allows us to learn from what works and what doesn't. This includes practice in other schools, learning communities and learning from educational research.

Looking forwards - creating a vision and planning for implementation

Through leadership at all levels, we anticipate challenges and explore creative solutions. This helps us to create an aspirational vision for our school which shapes our actions and provides a focus for improvement.

Our children and young people are actively consulted and involved in this process. We also give staff, parents/carers, and other partners the opportunity to participate in discussions and activities to shape our improvement journey.

When we develop our improvement plan, we use key questions at scheduled review times throughout the session to know how well we are progressing towards achieving these positive outcomes and changes.

Together we are working hard to ensure the Highlands is the best place for children and young people to grow up safely, learn, develop and achieve.

With positive experiences, our children and young people will always see the Highlands as home.

Le eòlasan deimhinneach, bidh ar cloinn is ar n-òigridh daonnan a' faicinn na Gàidhealtachd mar dhachaigh.

Malcolm McGregor
Cluster Head Teacher
St. Bride's Primary School and ELC

School Profile

Pròifil na Sgoile

The following information can be found on [Parentzone Scotland](#). It is important to remember that statistical data alone is not a measure of how well we are doing. All schools are unique. To understand how well we are doing it is important for us to look at a range of different data sources.

Attendance
93.29%

Average Class Size
14.5

Meeting PE Target
Target Met

Pupil Numbers
29

Teacher Numbers
2

Pupil Teacher Ratio
14.5

St Bride's Primary School is in a rural setting serving the communities of North Ballachulish, Onich, Bunree and Callart. We are located in South Lochaber covering an area from Loch Leven to Corran on Loch Linnhe.

There are 29 children attending the school, ranging from P1 – 7. They are taught in two multi-composite classes.

The headteacher has overall leadership responsibility for St Bride's Primary School and Glencoe, Ballachulish and Duror Primaries. The headteacher is supported by a principal teacher. Staff and children from the 4 schools work together regularly.

As the school roll comprises a small number of children, attainment and progress will be expressed in 'overall' statements, rather than specific year groups or Curriculum for Excellence levels. This is to ensure the identity of individuals is not disclosed.

Overall, attainment across the school in literacy and English and numeracy and mathematics is good. Children achieve appropriate CfE levels in literacy and numeracy and, across the school, a few children are exceeding nationally expected levels. Almost all children who face barriers to learning are making good progress towards meeting their individual targets.

Overall children are making the following progress:

Reading

Good progress

Writing

Good progress

Listening and talking

Good progress

Numeracy

Good progress

We have had no exclusions this year.

School vision, values and aims

Lèirsinn, luachan agus amasan na sgoile

In St Bride's Primary School we ensure that all children develop the attributes, knowledge and skills they need to thrive in life, learning and work. They will be able to demonstrate the four capacities (successful learners, confident individuals, effective contributors and responsible citizens) through the four contexts for learning (curriculum areas and subjects, interdisciplinary learning, ethos and life of the school and opportunities for personal achievement) and in a curriculum which reflects the seven principles of design (breadth, progression, depth, personalisation and choice, challenge and enjoyment, coherence and relevance).

Our values are based around being Safe, Ready and Respectful and we aim to Work, Learn and Grow Together.

Review of progress for session

Ath-sgrùdadh air adhartas airson an t-seisein

These projects are linked to the vision and priorities for Scottish Education based on delivering excellence and equity. Parent/Carer information is available [here](#).

School Priority:

Collective Efficacy

Purpose:

To develop confidence, consistency and security in planning and delivery of learning through enquiry and moderation; purposeful and meaningful school improvement planning for all stakeholders; recognising the Right Drivers for change.

Progress:

All staff engaged with teacher led professional learning to support high quality classroom practice using 'Deep Learning' pedagogy.

All staff engaging with performance information using Data Driven Dialogue.

Teachers provide effective feedback to children's learning in a number of ways. They often encourage children to assess each other's work commenting on what they like and what would help it to be even better.

Teachers have been involved in moderation activities at a school and cluster level.

Next steps:

- Continue with collaborative learning solutions at all levels of the school
- Continue to use 'Learning to model improvement in the classroom
- Provide all children and staff with more opportunities to share their views and take responsibility across the school.

Impact:

All teachers engaged with peer-to-peer classroom practice observations and are considering ways Deep Learning can be applied in classroom practice.

Teacher engagement with data has been enhanced allowing them to explore data-based facts to spot patterns and trends. This has supported identification of gaps in understanding and where children may need further challenge.

Most learners can identify their learning progress. Most can comment, reflect and contribute to their next steps, and know where they are with learning.

The current priority in the school and across the cluster has been to moderate the assessment of writing. As a result, attainment in writing is improving.

We continue to make good progress in this area.

School Priority:

Talk for Writing

Purpose:

Refresh of our literacy programme. Enabling children to read and write independently for a variety of audiences and purposes within different subjects.

Progress:

All children engaged in Talk for Writing programme of learning. Teachers adapted the programme well for delivery in multi-composite classes.

All class teachers moderated writing across the cluster.

All class teachers attended multiple CPD training events to support delivery at all stages and in a multi-composite setting.

All class teachers use reciprocal reading strategies.

Impact:

Almost all children are making very good progress in writing, and a few are exceeding this.

There is a shared understanding of standards in writing across the cluster.

The school's Mean Standardised Aged Score for reading rose from 103 in 2021 to 120.2 in April 2023. Over half of the learners in P4 – 7 are exceeding their expected reading level.

Through a structured approach to reading, children have improved their reading comprehension skills.

Good progress was made in this area.

Next steps:

Writing –

Consistent high-quality Talk for Writing lessons

Reading –

Engage with Stephen Graham Writing programme

Enhance reading quality and quantity in a multi-composite setting using Talk for Reading and Reciprocal Reading

Develop grammar and punctuation progression

Develop phonics resources to match phonics progression in Early Years stage

Develop parental workshops for Literacy

School Priority:

Maths No Problem

Purpose:

To drive number fluency and conceptual understanding of mathematics for all; target high achieving learners.

Progress:

Maths Passports have been introduced in every classroom.

Math No Problem resources were purchased for all class teachers.

Impact:

Maths Passports are supporting children across the school to develop core skills well and be motivated about numeracy. At early level, most children are confident adding and subtracting numbers to 20 and a few can work beyond 100.

Numeracy Curriculum development was a focus for leadership.

At first level, most children are confident carrying out a range of calculations mentally and can identify equivalent fractions.

At second level, children are confident with place value and can multiply and divide decimal fractions by multiples of five and ten. Almost all have a good understanding of fractions, decimals and percentages.

Across the school, children are confident in times tables appropriate to their age and stage.

Good progress was made in this area.

Next steps:

Robust tracking of numeracy attainment
Ensure depth of coverage for information handling within Mathematics curriculum

Wider achievements **Coileanaidhean nas fharsainghe**

Children develop well the four capacities through opportunities to be involved in a range of activities. These include skiing, outdoor swimming, music tuition, cross country running, athletics and downhill mountain biking.

Comments from learners, families, stakeholders and staff **Beachdan bho luchd-ionnsachaidh, teaghlachan, luchd-ùidhe is luchd-obrach**

Please tell us what you think we do well:

- Curriculum subjects such as Maths, STEM and Literacy
- Creative Arts
- Teachers supporting learning; consistent teaching approach
- Community involvement
- Good leadership
- Shared Values and positive Ethos
- Homework
- Use of the Outdoors
- Warm and welcoming; a nurturing environment

Please tell us what you think we could do better:

- Expand provision for Gaelic, French and Grammar
- Variety of sport and sporting opportunities
- Capturing pupil voice and opinions

Other comments about our school:

- Welcoming and supportive
- An amazing school
- Great team

Feedback from children April 2023:

Q No.	Question	Response Count	Agree %	Disagree %	Don't know %	Didn't answer %
4	I feel safe when I am at school.	16	87.5	0.00	6.25	6.25
5	My school helps me to feel safe.	16	87.5	0.00	6.25	6.25
6	I have someone in my school I can speak to if I am upset or worried about something.	16	87.5	0.00	6.25	6.25
7	Staff treat me fairly and with respect.	16	93.75	0.00	6.25	0.00
8	Other children treat me fairly and with respect.	16	93.75	0.00	6.25	0.00
9	My school helps me to understand and respect other people.	16	93.75	0.00	6.25	0.00
10	My school is helping me to become confident.	16	93.75	0.00	6.25	0.00
11	My school teaches me how to lead a healthy lifestyle.	16	81.25	0.00	12.5	6.25
12	There are lots of chances at my school for me to get regular exercise.	16	87.5	0.00	6.25	6.25
13	My school offers me the opportunity to take part in activities in school beyond the classroom and timetabled day.	16	81.25	0.00	12.5	6.25
14	I have the opportunity to discuss my achievements outwith school with an adult in school who knows me well.	16	87.5	0.00	6.25	6.25
15	My school listens to my views.	16	75	0.00	18.75	6.25
16	My school takes my views into account.	16	87.5	0.00	12.5	0.00
17	I feel comfortable approaching staff with questions or suggestions.	16	87.5	0.00	12.5	0.00
18	Staff help me to understand how I am progressing in my school work.	16	93.75	0.00	6.25	0.00
19	My homework helps me to understand and improve my work in school.	16	81.25	6.25	6.25	6.25

Capacity for continuous improvement Comas airson leasachadh leantainneach

Using indicators from 'How Good is our School 4' together with learner, parent, carer, partner and community feedback we believe we have made the following progress this session:

	ELC	PRIMARY	SECONDARY
QI 1.3 Leadership of change	Very good	Good	Choose an item.
QI 2.3 Learning, teaching and assessment	Good	Good	Choose an item.
QI 3.1 Wellbeing, equality and inclusion	Very good	Very good	Choose an item.
QI 3.2 Raising attainment and achievement/Securing children's progress	Good	Good	Choose an item.

Our overall evaluation of our capacity for continuous improvement is:

We are confident in our capacity for continuous improvement.

Key priorities for improvement planning Prìomhachasan airson planadh airson leasachadh

1. Literacy
 - Grammar
 - Talk for Writing Fiction and Non-Fiction
 - Punctuation
2. Child-initiated Play
 - Early Years
 - 1st Level

- 2nd Level

3. Pupil Engagement

ELC Priorities for Improvement:

1	2.3	EDUCATION SCOTLAND	RESPONSE	IMPACT	WHO?	HOW?	WHEN?	COMPLETE RAG and Date		
								May 23		
		Identify clear next steps in learning	Engage with professional learning and CPD	Identify appropriate interventions for ASN children	All EYP HT PT	THC Early Years Blog and Resources THC CPD training calendar	August-Dec 2023			
2	2.3	Improve approaches to planning and recording of learning	Embed Responsive Planning	Develop more responsive approach to learning	All EYP	Continue to use 'Responsive Planning' Engage with CPD Engage with THC officers	May 2023	May 23		
	2.3 3.2	Improve approaches to planning and recording of learning	Ring-fence time off the floor for recording of learning	Improved documentation of progress	HT PT	Maximise SDT. Deliver agreed dates and times off floor as part of school's WTA	June 2023	May 23		
3	3.2	Increase opportunities to listen to stories, sing songs and rhymes	Review setting environment and resources	High Quality Literacy experiences evident throughout the session	All EYP PT	Planning systems	June 2023 and monthly thereafter	May 23		
4	3.2	Develop opportunities for mark making	Review setting environment and resources	High Quality Literacy experiences evident throughout the session	All EYP PT	Planning systems	June 2023 and monthly thereafter	May 23		
5	3.2	Develop Learning Journals	Develop further use	Increase child and parent involvement	All EYP PT	Key Worker specific children and families	On Going	May 23		

Planning ahead A' planadh air adhart

Full details of the school's 2023/24 improvement priorities and actions are detailed on the school improvement plan, which can be accessed on our [school website](#) or by contacting the school office.
