 QUARTERLY COMPLAINTS REPORT 1 DECEMBER 2023 – 29 FEBRUARY 2024**

The Highland & Western Isles Valuation Joint Board (HWIVJB) is committed to providing high quality customer services and we value complaints and use information from them to help us improve our services. In April 2021, the HWIVJB published its updated Model Complaints Procedure and under the requirements of the Scottish Public Sector Ombudsman quarterly reports on performance are circulated to the senior management team but also published on our website.

We regard a complaint as any expression of dissatisfaction about our action or lack of action, or about the standard of service provided by us or on our behalf.

Lessons learnt from complaints handling

One of the complaints received related to electoral registration and the open register. The complaint was resolved, and no further action was required as a normal legal process had been followed. The other complaint was in respect of a failure to respond to a query from a ratepayer in respect of a change of use of their premises. This complaint was also resolved and the process that had led to the lack of response was reviewed, with suitable improvements implemented. The subject of the initial query was progressed as part of usual valuation business.
