

Objectives for Marishader

- To secure exceptional siting and design quality where public seaward or 'lochward' views are likely to be affected or land within the NSA.
- To secure developer funded road improvements where a network deficiency is created or worsened.
- To protect public seaward views where applicable.
- To safeguard in by croft land quality by favouring siting on poorer parts of crofts or on common grazings.
- To secure a collective, master planned, crofting community development of the township expansion area.
