Date application valid 02/04/2024 **Case Officer** Karolina Slotwinska

Description of proposed development There is the potential to impact schedule 1 birds and peatland. Mitigation would include pre-construction bird roost surveys and bird breeding surveys. Construction to be scheduled dependent on distance to ornithological receptor. All roads to be floated over peatland. All peat excavated to be returned to the original location. Any peatland drains within the development area will be dammed to maintain integrity of peatland.

Site location Ledgowan Hydro Scheme, Allt Garagain, Ledgowan, By Achnasheen, IV22 2EQ,
