Quantity

There is only one site of formal open space in Acharacle which provides a significant amount of open space in the village. This site has a number of different uses however its primary use is as an outdoor sports facility.

Accessibility

This site is accessible to most within the village however as the village follows a long linear pattern there are gaps in accessibility to open space at the north west and south east of the village.

| Type of Open Space | No. of Features | Area (Ha.) |
