Settlement Assessment

Quantity

With an initial look at Bettyhill there is a deficiency in open space in settlement set against the provision standard. While this is the case there is significant opportunity near by to come in contact with the natural environment. The open spaces which are present in Bettyhill offer significant recreational value. The provision for children and teenagers dominates, however this provision also includes significant provision of amenity greenspace.

Accessibility

The open space which is available in Bettyhill is centrally located and can be accessed by most residences within Bettyhill. It will be important to ensure through any improvement to the existing spaces that the open spaces are accessible.
