Settlement Assessment

Quantity

There is a deficiency of open space in Lochcarron assessed against the provision standard of 40m² per person. However there are significant opportunities to access the wider countryside which can mitigate some of this lack of open space.

Accessibility

The entire village has access to some form of open space within a reasonable distance of their homes using active travel. There is a need to ensure the good links to the wider countryside are protected and enhanced to ensure opportunities for recreation remain
