Settlement Assessment

Quantity

There is significant provision of open space in Portree and it comprises of a good mix of most types of open space. At the north west and south east there are significant open space “anchors” in the form of natural/semi-natural greenspace and a public park. The open space provision within the settlement is concentrated around a central hub and forms a small green network around the river.

Accessibility

Due to the compact nature of the settlement and the availability of open space there is good access to a wide range of open spaces within the settlement.

Type of Open Space	No. of Features	Area (Ha.)
