To Whom it May Concern,

I write on behalf of everyone involved with Dunbeath & District Centre (D&DC) and the full approval of the Board of Trustees to support Dunbeath & Berriedale Development Trust (D&BDT) in their acquisition and upgrade of the piece of land adjacent to the play area at the school. The piece of ground they propose to acquire is currently not in use for any particular purpose, once drained, the Dunbeath & Berriedale Development Trust have an ambitious plan to provide an amenity area for the school pupils and the community.

Dunbeath & District Centre (D&DC) have strong community links and the addition of an amenity such as the proposed track offers opportunities for intergenerational events and activities. D&DC would take advantage of this new amenity for their Stroller Group introducing new people who haven't walked for some time to gentle walks lapping the track.

We wish every success to the Dunbeath & Berriedale Development Trust in the fulfilment of their plan.

Sincerely,

Daniel Macleod
(Operational Growth Manager, Dunbeath & District Centre)
