Apologies:	<p>Robert Campbell, Estate Strategy Manager Mhairi MacDonald – Area Education Manager Kenna MacInnes – North West Skye FC Calum Munro - Councillor</p>	

1.	Welcome & Apologies	Action
	<p>Apologies as above. Welcome to David Cameron who is Caseworker for Kate Forbes MSP. Round screen introductions were made. No matters arising.</p>	
2.	Enabling Works/LSHA Update	
	<ul style="list-style-type: none"> • JS shared recent photos of the enabling works and will share the report with the group. • Next phase of tarring is booked for the February break. • Drainage works continuing site, but contractors have hit a patch of rock that needs further breaking out. • Kerbs are on site and kerbing works will be commencing. • IH – Would be helpful to know if the Community Group have appointed a Consultant Team to progress the pitch. Required for our Planning and need to know if surplus spoil can be stored on pitch site. • JF – Suggest IH calls Mali at the Trust directly. 	
3.	Highland Council Update	
	<ul style="list-style-type: none"> • DG – Enabling works are progressing well and Traffic Management during school day is working well. • RS- Shared draft layout plans for the new school. Building can be sectioned off to create secure areas for after school use. Mixture of rooms available for possible Community use. Plant room is the only room on upper floor, all other rooms are ground floor. • DG – Have had initial enquiry from Police Scotland Estates Team as to possibility of Police having a room to use in the school. DG will discuss further with Police Scotland. • JF – Can a walk-through video be developed? • RS – Working on finalising the floor and landscape plan. Video will be developed once these plans are complete. • DM – What is the capacity for the new school? • DG – 60 GM and 60 EM with an additional GP Room. New build will have more than enough space for the current roll and if numbers increase in future years, we have future proofed with space to add two additional classrooms. • JL – Police communications are promising, and good conversations are underway. • DM – Have already raised the issue of the Police House condition - it is passed repairing. Sharing of Fire Station premises has been suggested and it's encouraging that Police Scotland are still seriously looking at having a presence in northwest Skye. • JMR – We are arranging a drop-in event for pupils, parents, staff and wider community to share the proposed school plans. Suggesting Tuesday 25th March for the event and held in the school Games Hall. Further details to follow. 	<p>DG</p> <p>RS</p> <p>JMR/DG/RS</p>
4.	Dunvegan Trust/Community Update	
	<ul style="list-style-type: none"> • DG – The Show Committee have equipment stored at the school that will need to be relocated once building works start. Is it still the intention of the Show Committee to use the school site for future Dunvegan Shows? 	

	<ul style="list-style-type: none"> CM – Yes. There are no other suitable locations in the village to accommodate the Show. DG & CM to liaise on relocation during build of new school. 	DG/CM
5.	Sport Scotland Update	
	<ul style="list-style-type: none"> JF - It is still the intention of Forbes Dunlop (CEX) Sport Scotland, to visit Skye. Just waiting on confirmed dates. DG – It will be the Dunvegan Trust community group who will lead on the pitch development and carry out ground testing and feasibility. DC – All very helpful information when I am new to post but gives a good overview. 	
6.	AOCB	
	<ul style="list-style-type: none"> - 	
7.	Date of Next Meeting	
	<ul style="list-style-type: none"> Wednesday 30 April 2025 4.15pm Via Microsoft Teams
