

It would be helpful if you could send this information to me, to pass on to the reporter, by 17 September 2009.

I hope this is in order and shall be obliged if you could kindly acknowledge receipt of this letter and confirm when it has been posted on the Council's website. All parties who lodged representation on the extent of the housing land supply, including those questioning the extent of the allocation within particular settlement development areas, will be notified that a copy of this letter and your subsequent response can be viewed on the council's web site.

Please do not hesitate to contact us if you would like to clarify anything.

Yours sincerely
