Dear Mr Stott

The Highland Council  
West Highland and Islands Local Plan Examination  
Expansion sites MU10 (Waterfront)  
Representation No: 495

I refer to the letter that the Directorate for Planning and Environmental Appeals sent to Highlands and Islands Enterprise on 16 November 2009, and provide the following as a response to the subjects identified by the Reporter:

Subjects 4 & 5

HIE welcomes the proposal to retain MU10 as a means of enabling a substantial number of dwellings to be created in an area of serious shortage, and as the key location for modernising and improving the business infrastructure, quality and amenity of the town centre.

Yours sincerely
