### **REVENUE BUDGET MONITORING STATEMENT TO DECEMBER 2013**

## **Report by Director of Planning & Development**

## SUMMARY

This report provides Members with information on the revenue monitoring position for the Planning and Development Service for the period to the end of December 2013 and the projected year end position. There are also recommendations for 2014/15 following a review of charges for services.

#### 1. Introduction

1.1 Attached as **Appendix 1** is the revenue monitoring statement for the period to 31 December 2013; it shows that the Service has incurred net expenditure of £3.591m against an annual budget of £7.011m.

#### 2. Year-end Projection

- 2.1 At this stage in the financial year the Service predicts an under-spend of £0.225m at the year end which is mainly attributable to savings from the management of vacancies and an increase in planning and building warrant fee income.
- 2.2 It is recommended that £0.150m of this underspend from the 2013/14 budget is earmarked for one-off expenditure for use in 2014/15 for the essential upgrade to the e-planning system which is used to deliver the planning and building standards service and to enable public access to the system which would otherwise cause a budget pressure in 2014/15.

#### 3. Variances

3.1 The Fee income budget for 2013/14 was increased by £0.380m in the roll-forward budget to take account of an increase of 20% in the Planning fees. At the end of December 2013, Planning and Building Warrant Fees have achieved 82% and 73% respectively of the annual budget and were as follows (with comparison to the previous two years adjusted in the case of Planning Fees to take account of the 20% rise in fees in 2013/14)

	Planning Fees £m	Building Warrant Fees £m	Total £m
December 2013	1.875	1.351	3.226
Decemebr 2012	1.588*	1.201	2.789
December 2011	1.449*	1.243	2.692

(\* adjusted by +20%)

Agenda Item	4
Report	PED
No	6/14

- 3.2 Even with the increase in Planning Fees in 2013/14, Planning Fee income has increased compared to the previous two years and it is forecast that it will exceed budget by £0.080m by the year end. Similarly Building Warrant Fees have increased compared to previous years and they are forecast to exceed budget by £0.025m by the year end. The fee income position will be carefully monitored throughout the remainder of the year.
- 3.3 Public Local Inquiry etc. costs incurred in the year to date have exceeded the annual budget (see details in Appendix 1, note 2). Actual spend against the £0.050m budget is £0.058m at the end of December. The £0.069m refund of legal costs for Tullochgribbon Quarry was accounted for in 2012/13. However, as the actual income received of £0.100m exceeded the amount accrued at the year end this will help offset the current year overspend.
- 3.4 Senior Management has identified the following saving in spending elsewhere in the budget-
  - Staff savings in the order of £0.205m from management of vacancies, reduced hours and frozen posts.

# 4. Budget Savings

4.1 The attached monitoring statement takes full account of all budget savings in 2013/14 which the Planning and Development Service was asked to make by the Council.

#### 5. Review of Charges for Services in 2014/15

- 5.1 The Council will be including an increase of 2% on all charges for services in the roll forward budget for 2014/15. The P&D Service therefore proposes to act in a similar manner, as set out in **Appendix 2** to this report, except:
  - where no change in charge is proposed
  - in the case of Pre-Application advice on Major Development, which has been increased by £50, i.e. 5%
  - in the case of that part of the Building Warrant fee which is based on the estimated costs of operations: an increase to £1272/m2, in line with the BCIS guide, i.e. 6%.

# 6. Implications

- 6.1 Resource implications are noted in this report.
- 6.2 There are no legal, equality, climate change/carbon clever or risk implications arising out of this report.

6.	RECOMMENDATION
	<ul> <li>Members are asked to consider and approve the Planning &amp; Development</li> </ul>
	Service Monitoring Report for the period to 31December 2013 and agree
	the management action which has been taken to date.
	<ul> <li>Agree the updated charges for services in 2014/15 as outlined in Section 5 above and Appendix 2 to this report.</li> </ul>
	• Agree to earmark £0.150m in respect of the underspend from 2013/14 for use in 2014/15 for the essential upgrade to the e-planning system as outlined in Section 2 above.

This provides the mean price in £/m <sup>2</sup> for works of different character.
