# Caithness Committee 25 April 2016

| Agenda | 6.     |
|--------|--------|
| Item   |        |
| Report | CC/09/ |
| No     | 16     |

#### **Maintenance Programme for Roads and Bridges**

#### **Report by Director of Community Services**

#### Summary

This report invites Members to approve the Maintenance Programmes for Roads and Bridges for the Caithness Area for 2016/17.

#### 1. Background

- 1.1 The 2016/17 budget allocation for road maintenance operations, and its distribution between the eight new Local Committee areas, is due to be presented to the Community Services Committee at its meeting on 28<sup>th</sup> April 2016. This report therefore outlines the proposal for road maintenance in accordance with the current draft budget and may be subject to change following the result of that meeting.
- 1.2 The proposed Community Services Committee local allocations can be found at **(Appendix 1)** to this report.

#### 2. Budget Allocation

- 2.1 The Road Maintenance budgets are allocated under the following headings:
  - Winter Maintenance (Revenue)
  - Cyclic Maintenance (Revenue) including:
    - Verge maintenance
    - Road Marking Renewal
    - Sign Maintenance
    - Drainage Maintenance
    - Gully Cleansing
    - Footpath Maintenance
    - Patching Repairs
    - Other Cyclic and Routine Maintenance
  - Structural Maintenance (Capital) including:
    - Structural Resurfacing (Overlay/Inlay)
    - Structural Integrity Improvements
    - Surface Dressing

- Bridge Maintenance
- Additional Capital including:
  - Structural Road Maintenance
  - Road Markings
  - Bridge Maintenance
- 2.3 For operational purposes this report combines the budget allocations for Structural Resurfacing, Structural Integrity Improvements and Additional Capital as these operations are a pre-cursor to Surface Dressing operations in subsequent years.
- 2.4 This report focuses on the 2016/17 programmes for:
  - Structural Resurfacing (Overlay/Inlay) and Surface Dressing (Appendix 2) and
  - Bridge Maintenance (Appendix 3)

#### 3. Road Structural Maintenance Programmes

- 3.1 Schemes were selected for inclusion in these programmes on the basis of need using information gathered from the following sources and have been prioritised with the safety of the travelling public and sustainability of the road network as the main objectives.
  - Scottish Road Maintenance Condition Survey (SRMCS) data.
  - Safety Inspections
  - Service Inspections
  - Input and feedback from Ward Members

#### 4. Bridge Maintenance

- 4.1 Schemes were selected for inclusion in this programme on the basis of defects reported during the programmed cycle of Principal and General Inspections on bridges in excess of 5.0 metres.
- 4.2 Only relatively minor works of a non-specialist, routine maintenance type nature, are generally included in the works programme. More significant works are included in the Capital Programme funded separately. The Bridge Maintenance programme also includes repair and replacement of Cattle Grids.

#### 5. Implications

- 5.1 The combined programme for Structural Resurfacing and Structural Integrity Improvements enables the Council to meet its duty under the Roads (Scotland) Act 1984 within the Local Committee area.
- 5.2 This report has no impact on Equality, Gaelic, Climate Change or Carbon Clever considerations. However, there may be rural considerations where the

lower road usage levels and distances between communities reduce the opportunity to maximize the impact of investment decisions when compared to more densely populated area /roads with greater usage levels.

5.3 All work will be managed within budget allocations from a resource perspective with the Council delivering its legal responsibilities.

| 6.  | Recommendation   |
|-----|--|
| 6.1 | Members are invited to:  |
|     | Approve the Maintenance Programmes for Roads and Bridges for the Caithness Area for 2016/17. |

Designation: Director of Community Services

Date: 13<sup>th</sup> April 2016

Authors: Campbell Stewart, Area Community Services Manager /

Iain Moncrieff, Assistant Area Community Services Manager
