

Item 10 - Question Time

To the Leader of the Council

“For the financial year 2018-19, what are the budgeted and actual spends for each Area arising from the Inverness City/Region deal?”

Response to Mr McGillivray

There are no area budgets set for the Inverness and Highland City-Region deal.

Some of the projects are geographically specific and others are pan-Highland. Regular information is presented on expenditure to the EDI Committee and the Member Scrutiny Group.

In addition, the 18/19 Annual Report will be presented to the Council in due course.
