

## Item 15i - Question Time

To the Chair of the Corporate Resources Committee

“Please can you provide the VRMs, make, model, most recent odometer readings, purchase and registration dates of all electric cars owned by Highland Council”.

### Response to Mr A Jarvie

The Council does not own any electric vehicles, except for the HQ mail van (reg SY15 UWM) which we bought from the lease company in January 2019. All other electric vehicles are leased, and the information requested provided below. As they are leased we do not have a record on our system of the purchase and registration dates.

Reg No.	Fuel Type	Make/Model	Date In Service	Current Mileage
SM66KAX	ELECTRIC	Nissan Leaf 5DR Acenta 30KW	15/11/2016	7758.5
