

(9viii) Mr P Saggars

To the Budget Leader/Chair of the Corporate Resources Committee

“The UK Government has made significant sums of money available to Scotland as a result of the Barnett formula. How much of this money has been received by the Highland Council to date, how much has been spent and on what and how much more is expected to be received as a result of measures already announced by the UK Government?”

Details of confirmed additional funding to the Highland Council and the reasons the council requires additional funding are identified in a report to this Council. As reported separately potential additional funding streams may be available, but the Council needs to await further clarification of any potential amounts that will come to Highland
