- 4.2 At City of Inverness Area Committee on 20 February 2020 Members set the rent levels and applied a 3% increase for 2020/21 for Inverness garages and garage sites held on the Housing Revenue Account.

- 5.2 Occupancy levels for garage and garage sites vary. The Inverness Housing Team has a specific focus on improving occupancy rates across all Inverness Wards
- 5.3 The current occupancy levels and details of the budgeted void rent loss are provided below:-

Type	Occupied	Void

Garage Sites Ward 14	50	29
Garage Sites Ward 16	24	0

- 5.4 This is budgeted as void rent loss within the area HRA Revenue Budget, with current annual budget of £30,929.00 per year.
- 5.5 Actual rents paid vary between Council tenants and non-council tenants, as VAT is charged for people renting a garage who are not Council house tenants. The table below shows the current rents for tenants and non-tenants for garages and garage sites in Inverness.

Type	Council Tenants	Weekly Rent	Non-Tenants	Weekly Rent
Garages	105	£6.03	221	£7.24
Garage Sites	15	£1.00	101	£1.20

- 5.6 The average garage rent Highland-wide is £10.23 per week and the garage site rent £1.60 per week.
- 5.7 The repairs budget for garages in Inverness is £13,900 for day to day repairs. This only relates to repairs to garages themselves. As previously reported additional expenditure relating to garage repairs would have to be identified through area environmental/planned maintenance budgets.

6 Rent Options

- 6.1 Consultation on the general rent increase was based on options for a 1% or 2% rent increase. A 2% general rent increase was approved at the Housing and Property Committee on 27 January 2021.
- 6.2 The impact on garage site rents in Inverness of this level of increase is summarised in **Appendix 1**. A 2% rent increase in line with the agreed Council house rent increase would be as follows:

Description	Weekly Rent	Weekly Increase	New Weekly Rent
Garage Rent – Council Tenant	£6.03	£0.12	£6.15
Garage Rent non-tenant	£7.24	£0.14	£7.38
Garage Site Rent – Council Tenant	£1.00	£0.02	£1.02
Garage Site Rent – Non - Tenant	£1.20	£0.02	£1.22
Annual Income	£121,996.80		£124,436.13

- 6.3 Any net additional rent income from garages and garage sites generated by a rent increase would be applied as an increase in the area repairs budget for garages and garage sites in 2021/22.

7 Future Approach

- 7.1 The Highland Council Housing Management Team and Housing Maintenance Team will continue to agree local priorities for garages and garage sites with Members to decide which should be retained and where demolition/disposal should be considered. This would include a local assessment of demand and condition and would enable decisions on future investment and use. Consideration is given to:-

- Access to the site
- Size of the site
- Land availability adjacent to the site
- Current use and broader parking issues
- Condition
- Ownership of the garage structures

7.2 Although additional income from any rent increase applied locally will be available for investment in garage and garage sites locally it is likely that improvements will also require to be funded from area HRA revenue and capital environmental budgets. Garage and garage site improvements will need to be prioritised locally against other improvement priorities.

Members are asked to agree a level of rent increase to apply to Inverness Garages and Garage Sites for 2021/22.
