Recommendation

Members are asked to note the current position of these applications.

1. UPDATE ON PROGRESS

- 1.1 Appendix 1 contains a list of all applications for Major Development currently with the Service and awaiting determination. A brief update on the progress of these applications is provided, including a likely timescale for each case to be determined.
- 1.2 Appendix 2 provides a list of all significant Electricity Act applications. It should be noted that for many of these, the Council has already provided its response to Scottish Government. Only once Scottish Ministers determine these cases will they be removed from the list. From a performance point of view, the Council is not required to meet the same target timescales expected with planning applications.
- 1.3 Details for any of these applications can be obtained through the Council's e-planning portal <http://wam.highland.gov.uk/wam> by entering the respective case reference number provided. The following abbreviations have been used in the appendices:
- PCO – Pending Consideration
 - PDE – Pending Decision
 - S36RO – raised an objection to an application for energy generation under the Electricity Act
 - S36RNO – raised no objection to an application for energy generation under the Electricity Act
 - S37RO – raised an objection to an application for energy transmission under the Electricity Act
 - S37RNO – raised no objection to an application for energy transmission under the Electricity Act

2. Delegated Refusals of Major Applications and Current Appeals

- 2.1 Since the Major Developments Update Report presented to the last South Planning Applications Committee, no major applications have been refused using delegated powers, following circulation to local Members:
- 2.2 Appeals are currently in progress for the below major applications:
