

(27) Mr S Mackie

To the Leader of the Council

**Prior to the Standards Commission seminar in February 2021, what Members of the Highland Council attended training on the updated Code of Conduct for elected Councillors as organised by the Standards Commission for Scotland?**

*The Council hosted the Standards Commission Seminar and Workshop on the Code of Conduct on 5 October 2017. Invitations were issued to all members although no record of attendance was taken. Members are informed of the Commission's briefings which also include details of training events members may attend. We hold no records of individual Member's attendance at such events.*
