In particular, it seeks to support participants to recognise that using their existing expertise and professional judgement, they may be able to recognise potentially vulnerable individuals who may be susceptible to being persuaded by an extremist or terrorist ideology. Workshops delivered to partners across the Highland area.

ACT Early is a program delivered to schools across the Highland area. The ACT Early session is a vehicle for debate around the sensitive issue of violent extremism within communities. As such it is an enabler for community participants to air grievances, debate matters of interest to them and work through a group problem solving experience.
