Report Title: Climate Change Performance Monitoring Report Q2 2024/25

Report By: Assistant Chief Executive – Place

1 Purpose/Executive Summary

1.1 The report details relevant performance monitoring information for the Climate Change function as follows:-

- Corporate Indicators;
- Contribution to the Corporate Plan; and
- Contribution to the Service Plan for FY2023/24

1.2 The content and structure are intended to:-

- assist Member scrutiny and performance management
- inform decision making to aid continuous improvement, and
- provide transparency and accessibility

2 Recommendations

2.1 Members are asked to **scrutinise** the performance information for the Climate Change function.

3 Implications

3.1 **Resource** - There are no implications arising as a direct result of this report.

3.2 **Legal** - This report contributes to the Council's statutory duties to report performance and secure best value in terms of; Section 1(1)(a) of the Local Government Act 1992, and Section 1 of the Local Government in Scotland Act 2003, respectively.

3.3 **Community (Equality, Poverty, Rural and Island)** - There are no implications arising as a direct result of this report.

3.4 **Climate Change / Carbon Clever** - There are no implications arising as a direct result of this report.

- 3.5 **Risk** - There are no implications arising as a direct result of this report.
- 3.6 **Health and Safety (risks arising from changes to plant, equipment, process, or people)** – There are no implications arising as a direct result of this report.
- 3.7 **Gaelic** - There are no implications arising as a direct result of this report.

4 Impacts

- 4.1 In Highland, all policies, strategies or service changes are subject to an integrated screening for impact for Equalities, Poverty and Human Rights, Children's Rights and Wellbeing, Climate Change, Islands and Mainland Rural Communities, and Data Protection. Where identified as required, a full impact assessment will be undertaken.
- 4.2 Considering impacts is a core part of the decision-making process and needs to inform the decision-making process. When taking any decision, Members must give due regard to the findings of any assessment.
- 4.3 This is a monitoring report and therefore an impact assessment is not required.

5 Function Performance - Corporate Indicators

- 5.1 Corporate indicators for the Climate Change function are incorporated within the former Deputy Chief Executive Service and are therefore not available.
