#### **4.0 Legislation**

- 4.1 The Licensing Board must, in considering and determining the application, consider whether any grounds of refusal apply and, if none of them applies, the Board must grant the application.

Relevant grounds of refusal are: -

1. that the premises are excluded premises;
  2. that the Board considers, having regard to the licensing objectives, that the applicant is not a fit and proper person to be the holder of a premises licence;
  3. that the grant of the application would be inconsistent with one or more of the licensing objectives;
  4. that having regard to;
    - (i) the nature of the activities proposed to be carried on in the subject premises,
    - (ii) the location character and condition of the premises, and
    - (iii) the persons likely to frequent the premises,the Board considers the premises are unsuitable for use for the sale of alcohol, or
  5. that the Board considers that, if the application were to be granted, there would, as a result, be overprovision of licensed premises, or licensed premises of the same or similar description as the subject premises, in the locality.
- 4.2** For the purposes of the Act, the licensing objectives are-
- (a) preventing crime and disorder,
  - (b) securing public safety,
  - (c) preventing public nuisance,
  - (d) protecting and improving public health, and
  - (e) protecting children and young persons from harm.

If the Board would refuse the application as made, but a modification is proposed by them and accepted by the applicant, the application can be granted as so modified.
