# The Highland Council

**Committee:**           **Gaelic Committee**

**Date:**                   **4 June 2025**

**Report Title:**       **Progress against Gaelic Language Plan 2024–29**

**Report By:**           **Assistant Chief Executive – People**

## **1. Purpose/Executive Summary**

- 1.1 This report provides a progress report on the delivery of The Highland Council's Gaelic Language Plan 2024–29 (GLP).
- 1.2 The Highland Council uses a Performance and Risk Management System (PRMS) for monitoring corporate plans. The latest iteration of the GLP was approved on 7 May 2024.
- 1.3 PRMS data is presented in a booklet format in Appendix 1 and is also available [here](#).

## **2. Recommendations**

- 2.1 Members are asked to Discuss and note the report.

## **3. Implications**

- 3.1 Resource  
The delivery of the GLP is funded by The Highland Council, Scottish Government grants and various Bòrd na Gàidhlig (BnaG) funding streams.
- 3.2 Legal  
Under the Gaelic Language (Scotland) Act 2005, The Highland Council has a statutory duty to have a Gaelic Language Plan. The statutory duty includes the obligation to implement and accurately report GLP commitments.
- 3.3 Risk  
There are no risks arising as a direct consequence of this report.
- 3.4 Health and Safety (risks arising from changes to plant, equipment, process, or people)  
There are no Health and safety implications arising as a direct consequence of this report.

- 3.5 Gaelic  
There are very positive implications regarding the preservation and development of the Gaelic language and culture across corporate, education and community sectors. This also enhances the social and economic value of Gaelic and its associated culture.

#### **4. Impacts**

- 4.1 In Highland, all policies, strategies or service changes are subject to an integrated screening for impact for Equalities, Poverty and Human Rights, Children's Rights and Wellbeing, Climate Change, Islands and Mainland Rural Communities, and Data Protection. Where identified as required, a full impact assessment will be undertaken.
- 4.2 Considering impacts is a core part of the decision-making process and needs to inform the decision-making process. When taking any decision, Members must give due regard to the findings of any assessment.
- 4.3 This is a monitoring and update report and therefore an impact assessment is not required.

#### **5. The Highland Council Gaelic Language Plan (GLP) 2024–29**

- 5.1 The Highland Council GLP 2024–29 was agreed by the Gaelic Committee and full Council prior to being approved by Bord na Gàidhlig on 7 May 2024. Progress towards the objectives of the GLP are monitored in the Performance Risk Management System (PRMS). The PRMS data is available in appendix 1 in the format of a Briefing Booklet.
- 5.2 There are 91 enabling actions in the Highland Council's fourth iteration of its GLP, which span four themes:
- Communities and Home
  - Media, Arts, Culture and Heritage
  - Business and the Economy
  - Education

Six of the enabling actions are not currently being reported against as they are not yet due to commence. Good progress is being made against the majority of measures. There is a degree of slippage in the performance measure for Seachdain na Deugairean project because the frequency has been adjusted to run once every 2 years, rather than annually, due to cost. Capital spend allocation for Gaelic education is being progressed through ongoing discussions with our services and area teams. There is no capital allocated in the Highland Investment Plan to deliver a standalone 3-18 provision for Inverness, so this is on hold with work ongoing to identify alternative options for the Gaelic Capital funds that the Council holds.

- 5.3 The RAG status of each of the active enabling actions within each Strategic Priority of the GLP is listed below:

<b>Strategic Priority 1.1 - Increase support for all Gaelic users and learners, in their communities, and in the networks in which they operate.</b>		
On Target	19	
	<b>Action</b>	<b>Comment</b>
	We continue to support community organisations with their programme of Gaelic activities, including the provision of financial support.	The Highland Council Early Years Education Support Officer (EYESO) - West area and the ELC Commissioner have supported the Fàs Mòr setting manager on developing an action plan. This has included identifying improvements to the layout of the setting and advising on the resources available. The action plan is being taken forward by the setting with support provided by Highland Council.

#### 5.4 Gaelic Education Performance Indicators

As part of our ongoing work towards GLP Strategic Priority 4 - Deliver continued promotion and growth in GME and GLE at all levels including delivery of Gaelic as a modern language, with 70%\* of primary schools providing Gaelic as an L2 and L3 to increase the provision of Gaelic across the authority - the performance indicators related to Gaelic education are currently under review. These indicators are being developed to provide meaningful insights into progress and impact in this area.

Once established, the indicators will be reported on an annual basis. This approach will offer valuable year-on-year context but will also enable the tracking and reporting of a cumulative total over time. This cumulative reporting will support efforts in working towards the overarching 70%, as outlined in the Strategic Priority.

## 6. Corporate Service Aims

- 6.1 There are 38 actions relating to the Corporate Service Aims outlined within the GLP. The Corporate Service Aims will be utilised with the intention of standardising

and normalising key Gaelic services across all Council services during the lifetime of the Plan.

All public authorities preparing Gaelic Language Plans are required to include these within each edition of their plan with the understanding that these will be achieved through incremental growth. Many of the desired outcomes within the Corporate Service aims are already being fulfilled by adhering to the policy and guidelines on the use of Gaelic in Highland Council services.

- 6.2 The Highland Council Gaelic Team Facebook account was used to promote the Highland Council conference on Gaelic and the Economy. The content published received over 15,000 views, contributing significantly to GLP corporate service aims relating to increasing Gaelic content on social media.
