SG Climate Adaptation Leadership Summit

Highland Council's Chief Executive participated in an interview-style panel discussion on *Partnership and Collaboration* at the Scottish Government's Climate Adaptation Leadership Summit on 18 December. A key theme of the discussion was the partnership-based approach delivered through Highland Adapts. The Summit was well attended, bringing together over 100 senior leaders from across Scotland. The agenda included contributions from the Permanent Secretary and the Cabinet Secretary for Climate Action and Energy, reflecting the national importance placed on climate adaptation.
