4. Legislation

- 4.1 The Licensing Board must in considering and determining the application, consider whether any grounds of refusal apply and if none of them applies, the Board must grant the application.

Relevant grounds of refusal may be: -

1. the grant of the application will be inconsistent with one or more of the licensing objectives;
 2. having regard to (i) the nature of the activities carried on or proposed to be carried on in the subject premises, (ii) the location, character and condition of the premises, and (iii) the persons likely to frequent the premises, the Board considers the premises are unsuitable for use for the sale of alcohol in accordance with the proposed variation;
 3. that the Board considers that, if the application were to be granted, there would, as a result, be overprovision of licensed premises, or licensed premises of the same or similar description as the subject premises, in the locality.
- 4.2 For the purposes of the Act, the licensing objectives are-
 - (a) preventing crime and disorder,

- (b) securing public safety,
- (c) preventing public nuisance,
- (d) protecting and improving public health, and
- (e) protecting children and young persons from harm.

- 4.3 The Board only has power either to grant the application and make a variation of the conditions to which the licence is subject or to refuse the application.
- 4.4 If the Board refuses the application, the Board must specify the ground for refusal and if the ground for refusal relates to a licensing objective, the Board must specify the objective in question.

5. Licensing Standards Officer

- 5.1 The LSO has provided the following comments:-

(i) The premises are a small convenience store, which has held an alcohol premises licence since 2009 and which in licensing terms has a satisfactory history of operation.

(ii) Application is made at 5(c) of the operating plan to include recorded music.

(iii) Application is made to include alcohol in the scope of “home deliveries” within amended text at section 5(f) of the operating plan. Whilst Scotmid have robust protocols for age verification included within their staff training, the company intend to use ‘third party’ delivery partners i.e. Uber Eat, Deliveroo, Just Eat, etc., to facilitate their home deliveries. However, the legal responsibility for preventing underage sales and ensuring compliance with licensing objectives and with mandatory conditions of licence, rests with the licensed premises from which the alcohol is dispatched, therefore, the licence holder must also ensure their third-party delivery partner(s) operating practices and policies align with the store's home delivery policy and legislative requirements’.

(iv) The LSO is of the opinion that the application meets the standards of the 5 licensing objectives.

(v) Following the public consultation phase of this application no objections or representations have been received by the Highland Licensing Board.

6. HLB local policies

- 6.1 The following policies are relevant to the application:-

- (1) Highland Licensing Board Policy Statement 2023-28
- (2) Highland Licensing Board Equality Strategy

7. Conditions

7.1 Mandatory conditions

If the application is approved the mandatory conditions set out in Schedule 3 of the Act will apply.

7.2 Local conditions

There are no existing local conditions and it is not considered necessary to attach any.

7.3 Special conditions

The Board may wish to consider attaching the following special conditions:

- (2) No deliveries before 6am or after midnight.
- (3) All payments must be processed during licensed hours (10am to 10pm)

Recommendation

The Board is invited to determine the above application and if minded to grant the application, to agree the proposed local/special condition(s) detailed at para(s). 7.2 and 7.3 above.
