

THE HIGHLAND COUNCIL

EDUCATION COMMITTEE

The proposal is to establish a Gaelic Medium catchment area for Glenurquhart Primary School

EDUCATIONAL BENEFITS STATEMENT

THIS IS A PROPOSAL PAPER PREPARED IN TERMS OF THE EDUCATION AUTHORITY'S AGREED PROCEDURE TO MEET THE REQUIREMENTS OF THE SCHOOLS (CONSULTATION) (SCOTLAND) ACT 2010

INTRODUCTION

The Highland Council is proposing, subject to the outcome of the statutory consultation process:

- To establish a Gàidhlig Medium (GM) catchment area for Glenurquhart Primary School. The new catchment will overlay the current English Medium (EM) catchments of Glenurquhart Primary School, Balnain Primary School, and Cannich Bridge Primary School.
- To formalise the current arrangements relating to Gàidhlig Medium Education (GME) in Glenurquhart High School, under which the catchment area for Glenurquhart High School will apply to both Gàidhlig Medium and English Medium education.

Existing primary school catchments for the provision of English Medium education will be unaffected.

The proposed changes, if approved, will be implemented at the conclusion of the statutory consultation process.

If implemented as drafted, the proposed GM catchment for Glenurquhart Primary School will include all 3 of the primary school catchments within the Glenurquhart Associated School Group (ASG).

Any identified parental demand for local provision of GME from within the Balnain and Cannich Bridge catchments would be assessed in accordance with the Education (Scotland) Act 2016.

SUMMARY OF THE CONSULTATION PROCESS

PUBLICATION INFORMATION

Proposal Paper Published

The proposal paper will be available for inspection, free of charge, at:

- Glenurquhart Primary School
- Balnain Primary School
- Cannich Bridge Primary School
- Glenurquhart Public Library, Drumnadrochit

and published on the Highland Council website:

www.highland.gov.uk/schoolconsultations

Copies of this Proposal Paper are also available on request from:

Business Support Team
Care and Learning
Highland Council
Headquarters Building
Inverness
IV3 5NX
E-mail: Education.Consultations@highland.gov.uk

To request this information in an alternative format, e.g. large print, Braille, audio formats, or suitable language, please also contact the Business Support Team, Care and Learning, Highland Council Headquarters Building, Inverness IV3 5NX

E-mail: Education.Consultations@highland.gov.uk

Formal notice of the Proposal and relevant information will be given and be made available, free of charge, to the consultees listed as follows:

- (i) parents of pupils attending Glenurquhart Primary School; including parents of pre-school pupils;
- (ii) parents of pupils attending Balnain Primary School; including parents of pre-school pupils;
- (iii) parents of pupils attending Cannich Bridge Primary School; including parents of pre-school pupils;
- (iv) parents of pupils attending Glenurquhart High School;
- (v) the Parent Councils of each of the above schools;
- (vi) all staff of the schools listed above.
- (vii) Members of Parliament and Members of the Scottish Parliament for the area affected by the proposal;
- (viii) trade union representatives;
- (ix) all Community Councils for the areas covered by the Proposal;

- (x) Bòrd na Gàidhlig; and
- (xi) Education Scotland.

Advertisement in Local Media

A notice announcing the public meeting will be placed in the *Inverness Courier* and on the Highland Council's Facebook page.

Consultation Period

The consultation for this Proposal will run from 29 November 2021 and will end on 4 February 2022. This period allows for the statutory minimum of six weeks, including at least thirty school days.

Public Meeting

A public meeting will be held, the details of which are set out below:

6.30pm on 8 December 2021, online due to COVID conditions.

Anyone wishing to attend the public meeting is invited to do so. The meeting will be convened by the Council, will be chaired by a senior elected councillor, and will be addressed by officers of the Education Service.

The meeting will be an opportunity for the public to hear more about the proposal; to ask questions about the proposal; and to have the views of all stakeholders recorded so that they can be taken into account. A note will be taken at the meeting of questions asked and views expressed. This note will be published on the Council website. The meeting will also be recorded.

The note will be forwarded to Education Scotland, along with other submissions and comments received by the Council during the consultation process.

Responses to the Proposals

Interested parties are invited to respond to the Proposals by making written or electronic submissions on the Proposals to:

Ian Jackson
Education Officer (Resources)
Camaghael Hostel
Fort William
PH33 7NE
Email: Education.Consultations@highland.gov.uk

Or via an online form, a link to which can be found on

www.highland.gov.uk/schoolconsultations

When responding, you are invited to state your relationship with the school – for example, “pupil”, “parent”, “carer”, “relative”, “former pupil”, “teacher in school”, “member of the community” etc. However it is not compulsory to do so.

Those sending in a response, whether by letter or electronically should know that their response will be open to public scrutiny and may have to be supplied to anyone making a reasonable request to see it. If they do not wish their response to be made publicly available, they should clearly write on the document: “I wish my response to be considered as confidential with access restricted to Councillors and Council Officers of Highland Council”. Otherwise, it will be assumed that the person making the response agrees to it being made publicly available. All written responses must be received by the last day of the consultation period, 4 February 2022 at 5.00pm.

Involvement of Education Scotland

When the Proposal Document is published, a copy will also be sent to Education Scotland by the Council. Education Scotland will also be sent, by 28 February 2022, a copy of any relevant written representations that are received by the Council from any person during the consultation period. Education Scotland will also receive the summary note of the public meeting that and so far as is practicable a copy of any other relevant documentation. Education Scotland will then prepare a report on the educational aspects of the proposal not later than 18 March 2022. In preparing their report, Education Scotland may visit the affected schools and make such enquiries of people there as they consider appropriate.

Review of Consultation Exercise

Highland Council will review the proposal having regard to the Education Scotland Report, written representations that it has received, and oral representations made at the public meeting. It will then prepare a Consultation Report. This Report will be published in electronic and printed formats and will be sent to anyone who submitted a written representation during consultation. It will be available on the Council website as well as at the affected school and local library, free of charge. The Report will include a summary of the written and oral representations made during consultation and a copy of the Education Scotland Report, together with the Council’s considered response to the issues raised. The Report will include details of any alleged inaccuracies and/or omissions and how these have been handled. The Consultation Report will be published at least 3 weeks prior to being submitted to the Council’s Education Committee, who will make a recommendation to the full Highland Council.

In publishing the report the Council will invite any person or party to make further representations to the Committee prior to its meeting. A notice to this effect will also be published on the Highland Council website.

The Council intends to publish its Report in August 2022, prior to submission to the Council’s Education Committee on in September 2022. However, this timescale may change depending on the nature of issues raised during consultation, and the need to give full consideration to those issues. In the latter event, the Report may not be submitted until a later Committee meeting.

Any proposal approved by the Education Committee would require to be confirmed by a subsequent meeting of the full Highland Council.

Note on Corrections

If any inaccuracy or omission is discovered in this Proposal paper, either by the Council or any other person, the Council will determine if relevant information has been omitted or, if the paper contains an inaccuracy. The Council will then take appropriate action, which may include the issue of a correction or the reissuing of the Proposal or the revision of the timescale for the consultation period, if appropriate. In that event, relevant consultees and HMI will be advised.

PROPOSAL

Legislative Background

- 1.1 The proposal is advanced within the context of all applicable legislation. Amongst other duties, education authorities are required to secure adequate and efficient provision of school education (S.1 of the Education Act 1980); to publish or otherwise make available information as to their arrangements for the placing of children in schools under their management (S.28 of the 1980 Act) and to promote and support Gaelic Medium education and learning (S.15 of The Education (Scotland) Act 2016. Statutory Guidance issued by Bòrd na Gàidhlig early in 2017 specifies that local authorities should establish catchment areas for Gàidhlig Medium education. The Guidance goes on to say that a catchment area for GME provision should be an area in which the education authority thinks it is reasonable for pupils wishing to receive GME provision to travel to school, and should have the potential to attract parents to choose GME provision for their children. Catchment areas for GME provision will normally overlay a number of school catchment areas.
- 1.2 In common with all public bodies in Scotland, the Highland Council also has a duty to provide Best Value. This includes making arrangements to secure continuous improvement in performance whilst maintaining an appropriate balance between quality and cost; and, in making those arrangements and securing that balance, to have regard to economy, efficiency, effectiveness, equal opportunities requirements and to contribute to the achievement of sustainable development.

Reason for the Proposal

- 2.1 This proposal is being advanced for the following reasons:
 - Highland Council has not previously specified catchment area for many of its schools offering GME. This has led to a lack of clarity for parents in respect of entitlement to GME, (see paragraph 2.2 below).
 - Bòrd na Gàidhlig has issued statutory guidance recommending that local authorities create catchment areas for GME.
- 2.2 The current criteria for providing transport to GME in Highland are not particularly well defined, and have evolved over time. The minimum distance and road safety criteria are the same as for English Medium education. The Council currently has an informal arrangement under which transport to GME can be provided “within reasonable travelling distance”. This has been generally interpreted as meaning up to 15 miles, but there are numerous variations.

Informal Consultation

- 3.1 Informal discussions have been held with local elected councillors of Highland Council and with the Head Teachers of (i) Glenurquhart, Balnain and Cannich Bridge Primary Schools, and (ii) Glenurquhart High School. The Parent Councils all of the local primary schools, and all of the local Community Councils, were also notified.

Current and Planned Provision of Gàidhlig Medium Education within the Glenurquhart ASG

- 4.1 There are 3 primary schools within the ASG. Glenurquhart Primary is the only one to offer GME at the primary stage.

Glenurquhart Primary School

- 5.1 Glenurquhart Primary is situated within the village of Drumnadrochit. The catchment extending southwards to Balbeg, westwards to Polmailly Wood, and northwards to just below the Clansman Hostel. At the time of writing there are expected to be 127 pupils in P1-7 during session 2021-22. Of these 14 are expected to be within GME. The school has excellent accommodation with well-sized classrooms, a large hall/theatre with bleacher seating, a dining room, medical room and designated nursery facility.
- 5.2 Of the 14 GM pupils, all but two are from within the Glenurquhart Primary catchment itself.

Proposed School Catchments for GME

- 6.1 There are 2 other primary schools within the Glenurquhart ASG. Approximate travel distances and times to Glenurquhart Primary from the other schools are set out below:
- Balnain Primary – Glenurquhart Primary – 5.2 miles, 11 minutes travel time.
- Cannich Bridge Primary – Glenurquhart Primary – 13 miles, 22 minutes travel time.
- 6.2 It should be noted though, that Cannich Bridge Primary has a wide catchment area, and travel from the furthest ends of that catchment will be considerably longer than the distances and times given above.
- 6.3 The statutory guidance specifies that a catchment area for GME provision should be an area in which the education authority thinks it is reasonable for pupils wishing to receive GME provision to travel to school, and should have the potential to attract parents to choose GME provision for their children.
- 6.4 The Council is sympathetic to the idea that Gàidhlig Medium Education should be accessible as many pupils Highland as possible, provided it is practical and reasonable to provide access.

- 6.5 Both Balnain and Cannich Bridge schools are within the informal 15-mile limit that has previously been applied in respect of transport to GME, and it is therefore proposed that both school catchments should be included within the proposed GM catchment.
- 6.6 The map at **Appendix B** shows the proposed GM catchment.
- 6.9 No changes are proposed for these catchments in respect of English Medium education.
- 6.10 For the purposes of GME, the Glenurquhart High School catchment will be the same as the school's existing catchment.
- 6.11 Historically, pupils from the Glenurquhart ASG who have accessed GME at secondary school level have done so by attending Inverness Royal Academy. The Council is of the view that provision of GME would be more attractive to local pupils if it were offered at Glenurquhart High School. Whilst recognising that the low numbers involved raise staffing issues, the Council is looking to introduce provision of GME at Glenurquhart High School. The expectation would be that, in time, the number of pupils attending GME at Glenurquhart High would increase, the teaching allocation for GME provision will increase accordingly.

Educational Benefits

- 7.1 The Proposal forms part of Highland Council's overall approach to the promotion of Gàidhlig medium education. Up to now, Highland Council's admission arrangements to GME have been informal and based on a "reasonable distance" (often applied as a 15-mile radius) from each school offering GME. In some locations these radii have overlapped, and the "15 mile" principle has not always been applied consistently. The creation of GM catchment areas, extended throughout Highland, will mean that admissions to GME will in future be more formal and robust.
- 7.2 The Proposal therefore helps to consolidate our existing provision of GME, and allows for the more efficient use of resources. It should be considered alongside other measures being undertaken to promote Gaelic and the benefits of bilingualism.
- 7.3 It is acknowledged that bilingualism has educational benefits as it provides the user with a better sense of the structure of language, and bilingual children often find it easier to pick up other languages. The continued availability of Gaelic medium education at Glenurquhart Primary School, as evidenced by the new catchment, will provide children with the opportunity to develop these skills for life.
- 7.4 The creation of a GM catchment area will demonstrate the Council's commitment to the long-term future of Gaelic Medium education. Evidence of this commitment may help with the known problem with "drop-out" from GME.

7.5 The Education section of the Council's Gaelic Language Plan sets out the following aims:

- That the Highland Council increases the percentage of pupils in GME from potential enrolment figures at key transition points.
- That the Highland Council increases the percentage of pupils undertaking Gaelic through the Primary Language Learning programme, based on the 1+2 Language Learning Approach and subsequently through secondary Gaelic Learner Education across The Highland Council area.
- That the Highland Council creates a Gaelic education transitions strategy for retaining children in 0–3/childcare to nursery, nursery to primary, primary to secondary 1, and the Broad General Education to senior phase.
- That the Highland Council develops a curriculum and workforce plan for the delivery of Gaelic education at all levels (0–3, nursery, primary and secondary) including clear signposting to www.teagasg.com and early year's recruitment via The Highland Council's website.
- That the Highland Council undertakes a Highland-wide survey of existing Gaelic education staff to identify career-long professional learning needs, particularly in relation to Gaelic language skills, and develops a programme of training and support.
- That the Highland Council ensures that Gaelic education is considered as part of the school estates capital development whenever possible.

7.6 The Proposal will raise the profile of Gaelic in the area and make it clear that the opportunity exists for children in the other primary school catchment to attend GME at Glenurquhart Primary School. It will therefore assist with our aim of increasing enrolments, and forms part of our Strategy of providing improved transitions that will help retain children within GME.

Effects on School Transport

8.1 The children attending GME at Glenurquhart PS from within the Glenurquhart PS catchment, who require school transport, utilise the same transport arrangements as those attending English Medium education. A parental transport contract exists for the one other pupil currently accessing GME. The Proposal is not expected to have any effects on these current transport arrangements.

Effects on Staff and School Management Arrangements

9.1 The Council does not expect any significant impact on local school rolls. Nor do we expect there to be any direct impact on staff within the schools of the Glenurquhart ASG.

Effect on the Local Communities

10.1 The proposal is not expected to have any impact on the wider local community.

Recommendation

- 11.1 Highland Council recommends the adoption of a Gàidhlig Medium catchment area for Glenurquhart Primary School, along the lines set out in this paper.
- 11.2 This consultation paper is issued in terms of the authority's procedures to meet the relevant statutory requirements. Following the consultation period, a report and submissions received will be presented to the Education Committee of the Highland Council.
