

Culloden Academy

Stakeholder Group Meeting No. 8

Project Update

18th January 2022

Robert Campbell, Estate Strategy Manager

Advanced Works – Update

- **Refurbishment of Toilets:** The final group of toilets were completed last week and should be operational next week.
- **Outdoor Catering Unit and Shelter Areas:** Shelter areas were completed in December, with the catering unit operational in early February.

Recent Progress

- Contractor has met with Culloden House regarding the playing field proposal, generally positive but discussions ongoing with Historic Environment Scotland.
- Proposal of Application Notice submitted and Public Events arranged for Thursday 20th. Leaflet drop and publicity arranged.
- Road junctions and site accesses (school and housing developments) – planning application approved and tenders have been received.
- Archaeological investigations ongoing.
- Presentation to Academy staff meeting last week.
- Contractor engagement with some pupils and school staff.
