

**THE HIGHLAND COUNCIL (B9152 GRANISH) 40 MPH SPEED LIMIT ORDER
2025**

Statement of Reasons

The Highland Council aim to promote the safe and efficient use of the roads they are responsible for. Where these roads link towns, villages and cities, there are frequently competing pressures between their strategic purpose, and community interests relating to safety and amenity.

In the interests of road safety and casualty reduction and the furtherance of Council policy to promote road safety on its road network, it is proposed to introduce a 40mph Speed Limit on a section of the B9152 Granish, this is appropriate to the function and nature of the road and will be delivered in conjunction with further casualty reduction measures in the area.
